

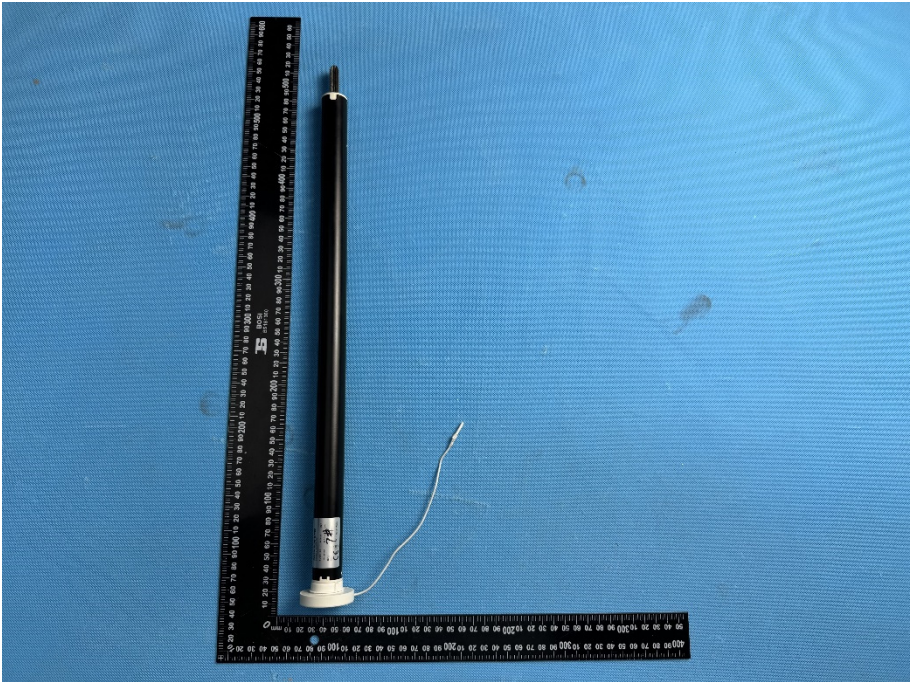

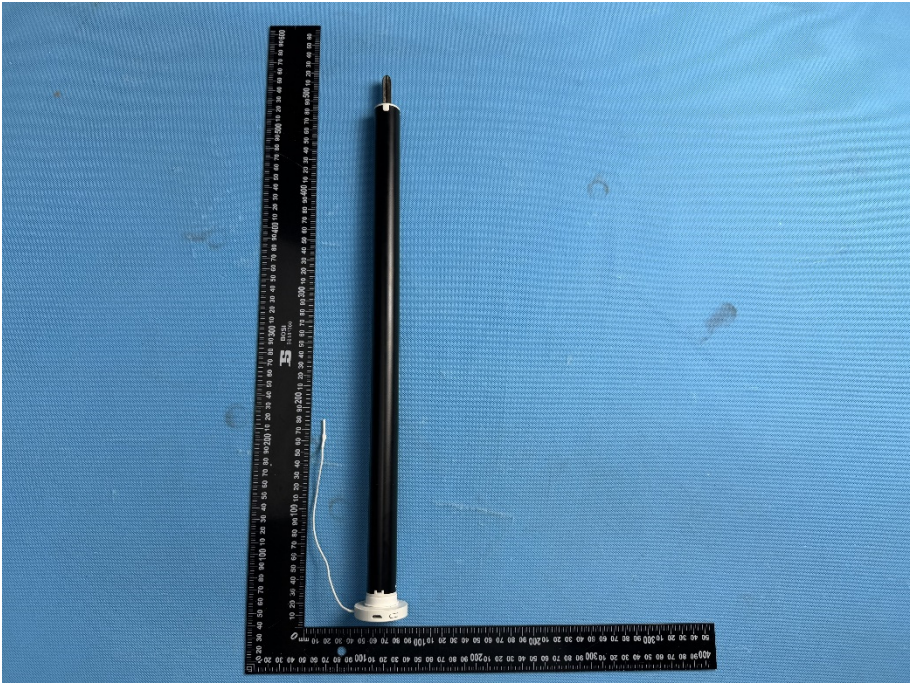

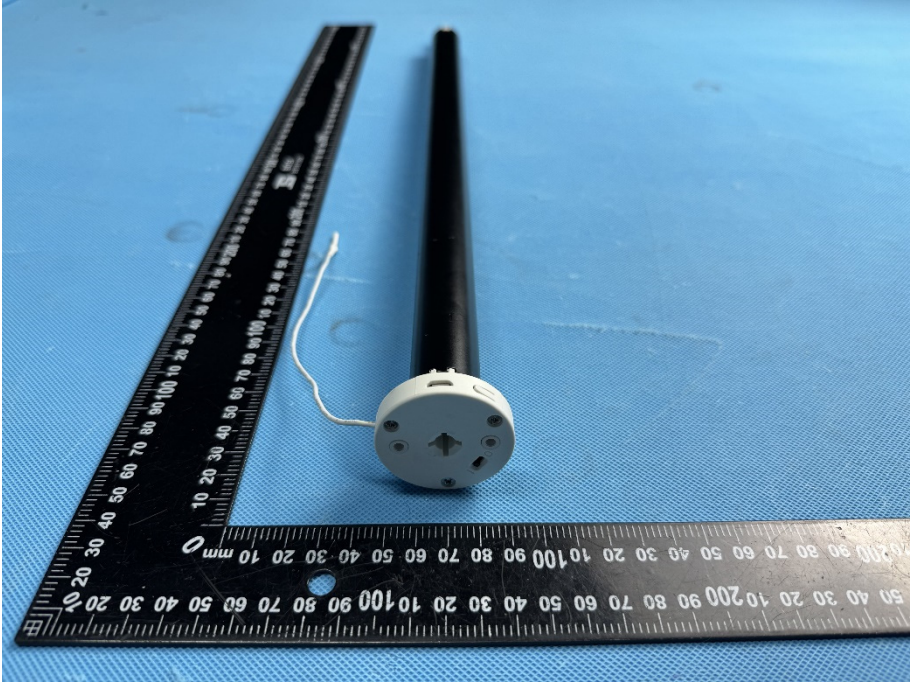

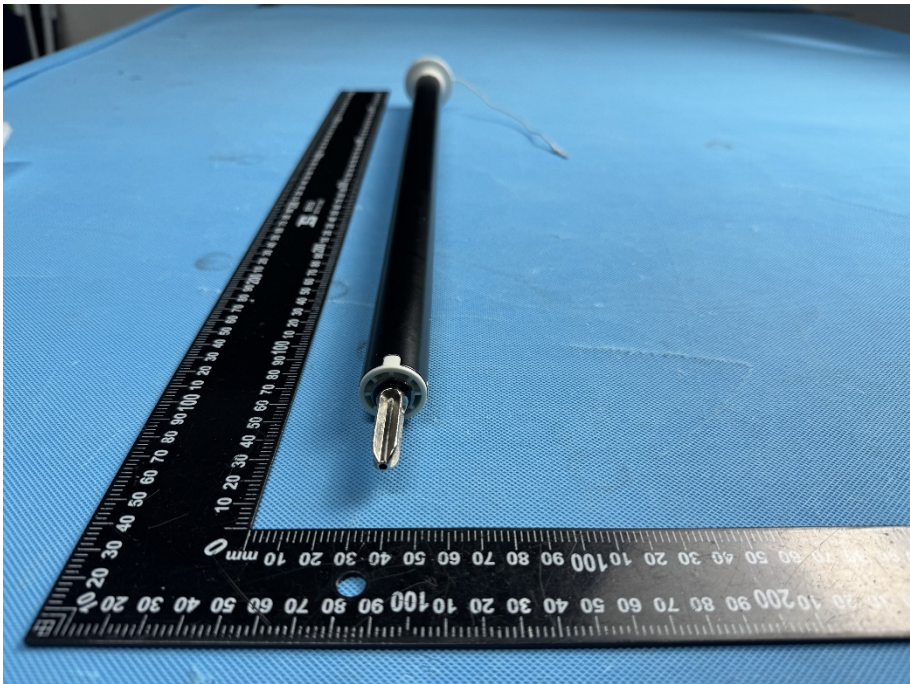

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

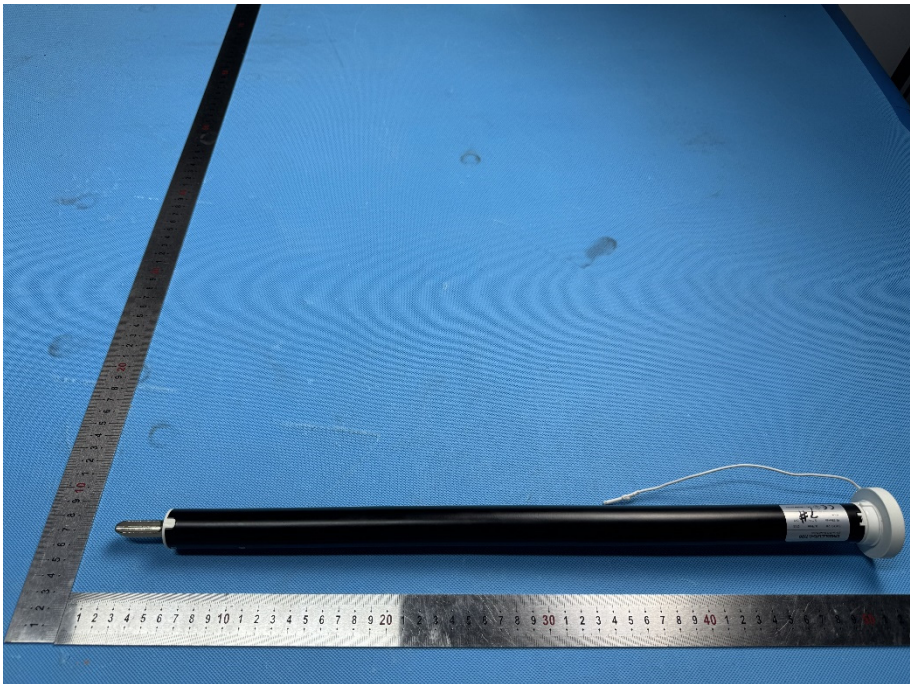

EUT View 1	 A photograph showing two identical black cylindrical components, likely external units (EUT), standing vertically. Each component has a white base and a thin white wire extending from it. They are positioned next to a long, thin ruler for scale. The background is a solid blue surface.
EUT View 2	 A photograph showing a single black cylindrical component, similar to the ones in View 1, standing vertically. It has a white base and a thin white wire. It is placed next to a ruler for scale. The background is a solid blue surface.

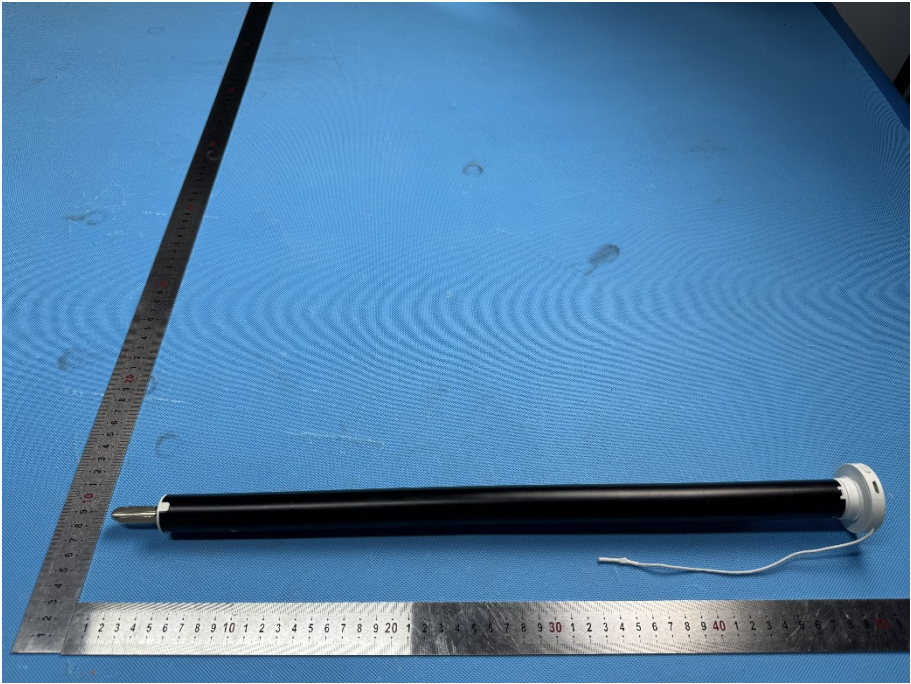

EUT View 3	 A side view of a black cylindrical electronic unit. The unit has a white base at the bottom and a thin white wire extending from it. It is positioned vertically next to a black ruler with white markings, which is used for scale. The background is a blue textured surface.
EUT View 4	 A top-down view of the electronic unit. The unit is black with a white circular base. The base has four small mounting holes and a central diamond-shaped feature. It is placed next to a black ruler with white markings, which is used for scale. The background is a blue textured surface.
