

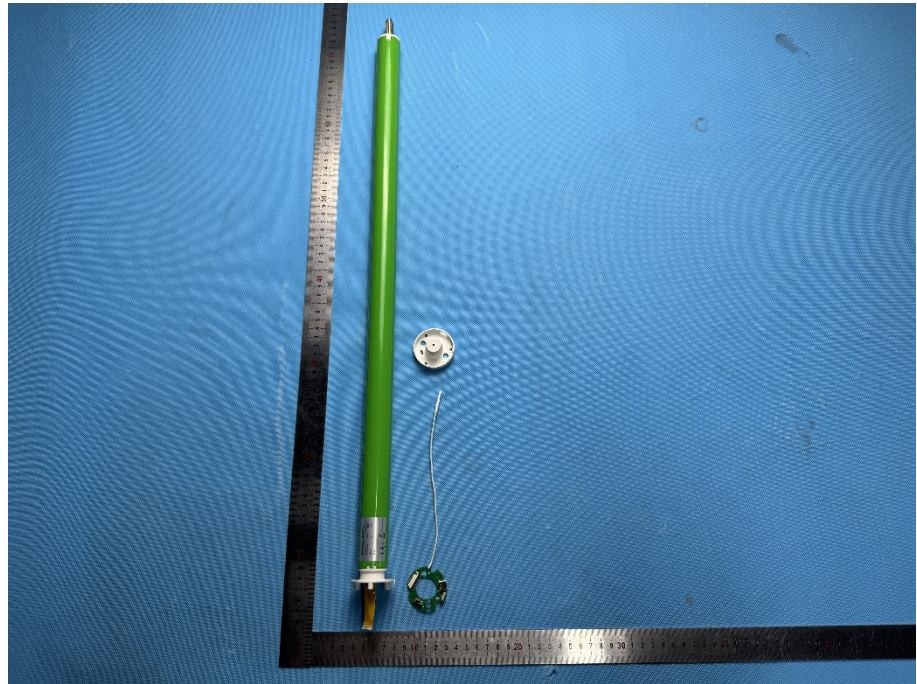

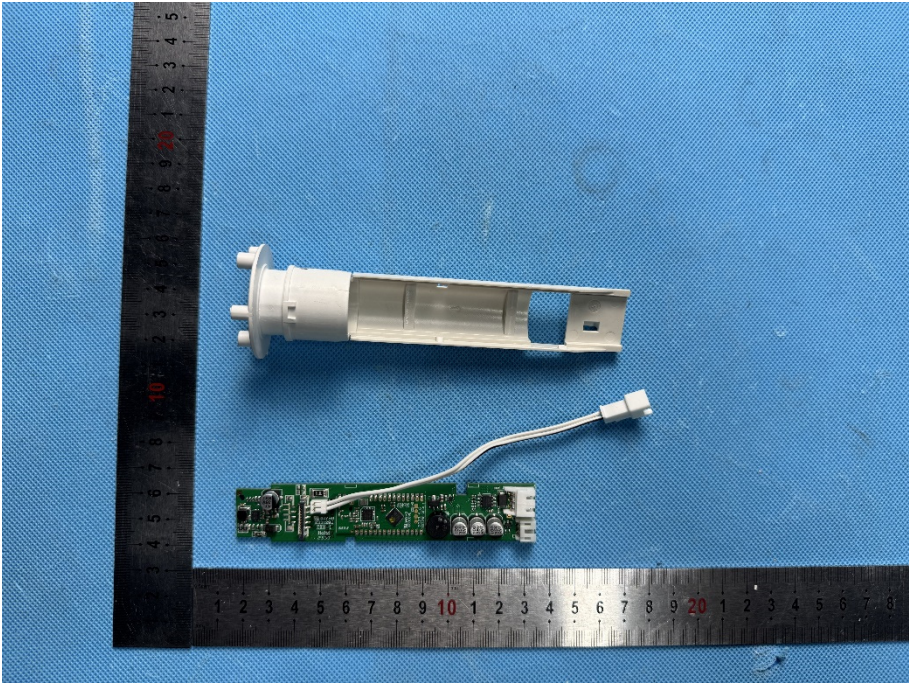

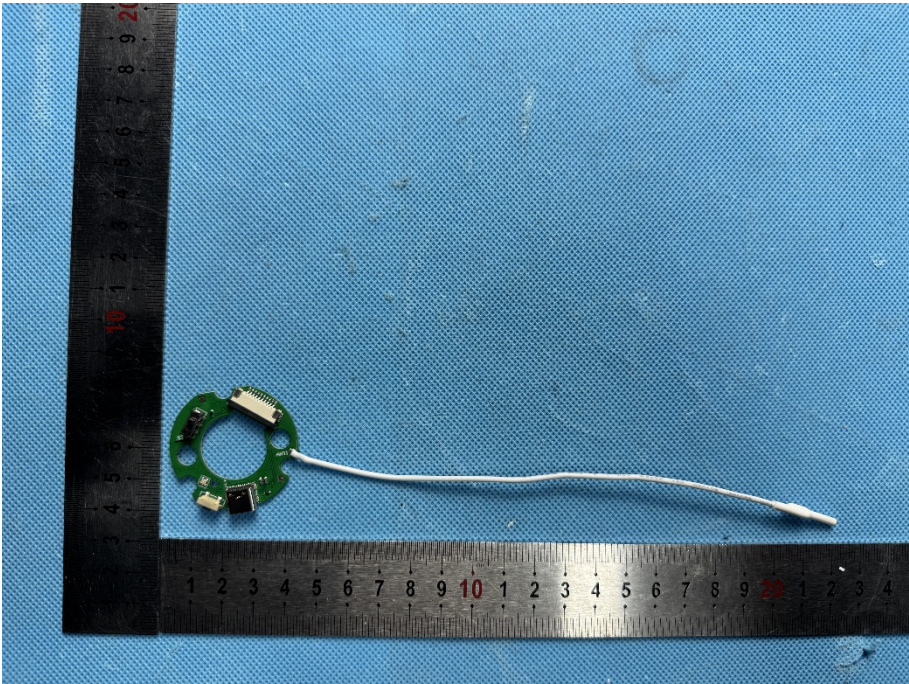

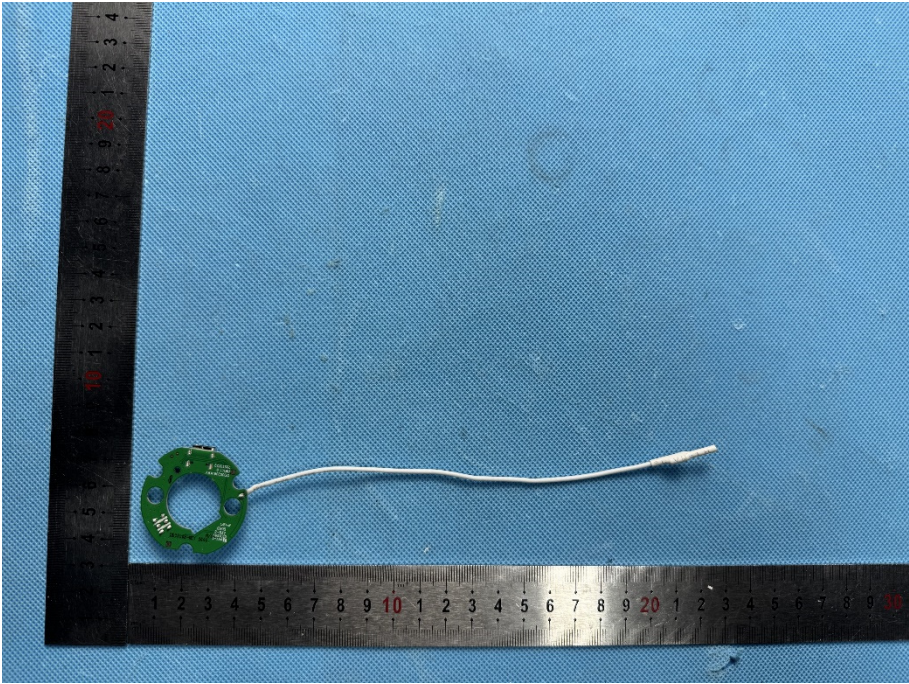

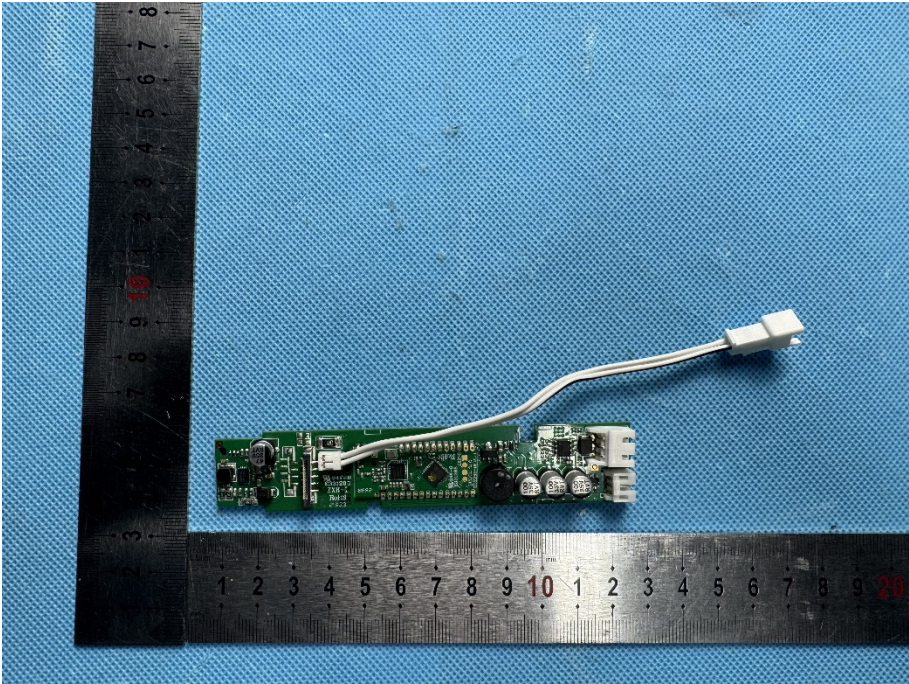

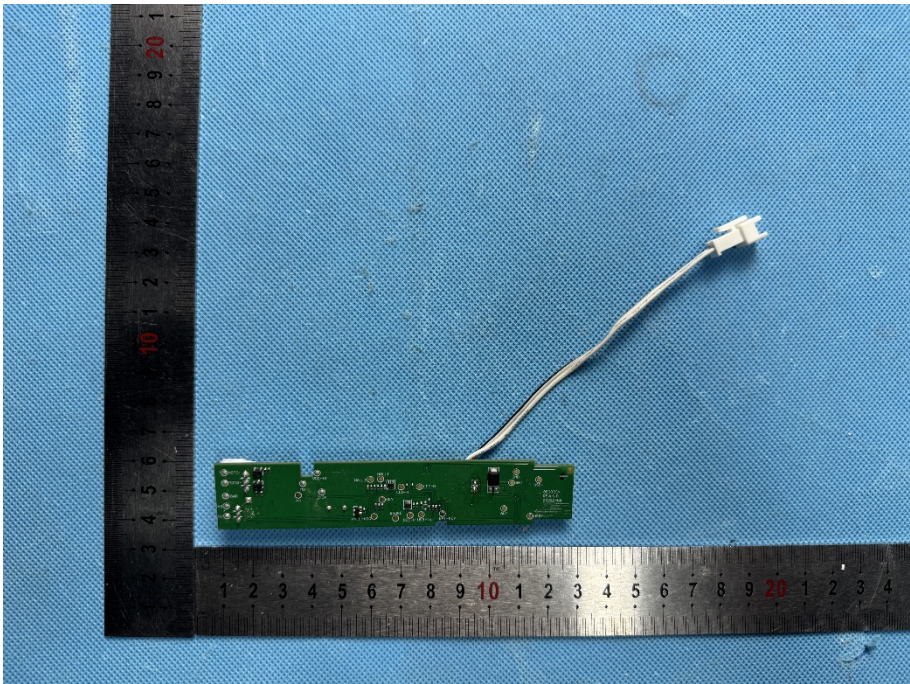

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1****EUT Housing and
Board View 2**

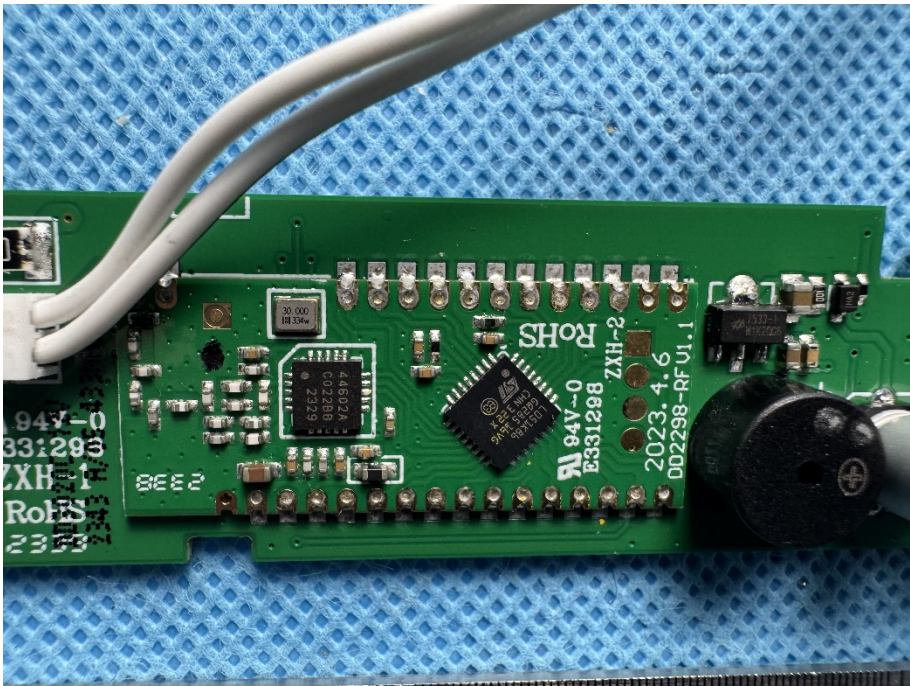

EUT Housing and Board View 3	 A photograph showing a white plastic EUT housing and a green printed circuit board (PCB) with a white cable. The components are placed on a blue textured surface next to a black ruler for scale. The ruler shows measurements in centimeters, with markings at 10, 20, and 30 cm.
Solder Board-Component View 1	 A photograph showing a small green PCB component with a white cable, likely a solder board component. The component is placed on a blue textured surface next to a black ruler for scale. The ruler shows measurements in centimeters, with markings at 10, 20, and 30 cm.

Solder Board-Component View 2	 A photograph showing a small, circular green printed circuit board (PCB) component with a white cable attached. The component is placed on a blue textured surface next to a black ruler for scale. The ruler shows measurements in centimeters, with the component spanning approximately 1.5 cm.
Solder Board-Component View 3	 A photograph showing a rectangular green printed circuit board (PCB) component with various electronic components (resistors, capacitors, and integrated circuits) soldered onto it. A white cable is connected to one end of the board. The component is placed on a blue textured surface next to a black ruler for scale. The ruler shows measurements in centimeters, with the component spanning approximately 10 cm.
