

External EUT Photo

A black DJI Mavic Mini drone, its remote controller, and accessories (propellers, screws, cables) are laid out on a blue surface next to a ruler for scale. The drone is folded, showing its compact design. The remote controller is black with two joysticks and several buttons. Two propellers, a small screwdriver, and two cables (one white, one black) are also visible. A ruler is placed horizontally below the items, showing measurements in centimeters.

A black DJI Phantom 3 Standard drone is shown from a top-down perspective, lying on a blue textured surface. The drone's four arms are extended, each with a black propeller. To the left of the drone, the remote controller is laid out horizontally. Above the remote, a white USB cable is coiled. Further up, four black propellers are arranged in a row, and above them are two small black screws and a longer black screwdriver. A metal ruler is placed vertically on the left side of the image, showing measurements in centimeters from 1 to 49. The drone is positioned between the 20cm and 30cm marks.
