LED mobile phone Bluetooth controller

- Product Features**
- LED Bluetooth controller is directly via mobile phone control remote distance can reach 20m without the need to set up, easy to connectopen the software within 5 seconds you can automatically connect the controller
 - Flow the rhythm of the music changes
 - Group control
 - Brightness, speed addition and subtraction
 - Maximum can be 10 meters RGB(W) strip
 - The software shows that the text is based onthe language of the mobile phone set up automatic transformation of Chinese and English

- Animation Effect:**
- Colorful gradient
 - All kinds of monochrome, double color gradient
 - All kinds of monochrome, double color,colorful flashing
 - Colorful jump
 - Follow the thymhm of the music chagnes

- Product Paramters:**
- Bluetooth: BLE V4.2
 - Voltage: 5V
 - Working Temp: -25~75 C
 - Size: 43*22*11 mm
 - Weight: 30g
 - Max Power: 10W (LED)

Istruzioni per l'utente

Striscia di LED RGB

Colore dei sogni

Scansiona il codice QR per scaricare l'APP

- 1.Collegare la striscia colorata e il controller a led, accendere il controller.
- 2.Scansione codice bidimensionale per scaricare l'APP.

- 3.Avvia l'app, cerca e collega il controller.
- 4.Goditi il controllo wireless wireless esperienza.

Controller wireless per telefono cellulare LED

Caratteristiche del prodotto

- Il controller LED wireless avvia direttamente tramite il controllo remoto del telefono cellulare can reach 20m without the need to set up, easy to connectopen the software entro 5 secondi è possibile connettere automaticamente il controller
- Flusso del ritmo della musica cambia - Controllo del gruppo
- Luminosità, addizione e sottrazione di velocità - Il massimo può essere una striscia RGB(W) di 10 metri
- Il software mostra che il testo è basato sulla lingua del telefono cellulare impostare la trasformazione automatica del cinese e dell'inglese

Effetto animazione:

- Gradiente colorato
- Tutti i tipi di gradiente monocromatico e doppio colore
- Tutti i tipi di monocromia, doppio colore, lampeggiamento colorato: Salto colorato
- Segui il ritmo dei cambiamenti musicali

Parametri del prodotto:

- wireless: BLE V4.2
- Tensione: 5V
- Temperatura di funzionamento: -25~75 C
- Dimensioni: 43*22*11 mm
- Peso: 30 g
- Potenza massima: 10 W (LED)

FCC Caution:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used exposure condition without restriction.
