<p>Illuminated Wireless Dildo</p>  <p>User Manual</p> <p>Product Introduction</p> <p>This product is the first-ever wireless charging, glowing, vibrating dildo on Amazon!</p> <p>This transparent, glowing dildo combines innovative technology with ergonomic design, offering an unforgettable experience. Powered by a convenient wireless charging system, it's always ready when you are.</p> <p>The built-in LED light creates a captivating glow, transforming your playtime into a visually stimulating experience.</p> <p>With 10 powerful vibration modes that can be controlled via the dildo or the included remote, you have full control over your pleasure.</p> <p>Easy to clean, waterproof up to 7 levels, and featuring a secure suction cup base, this dildo offers both luxury and practicality for your most intimate moments.</p> <p>Enjoy the color changing illumination for a unique and fun time.</p> <p>- 1 -</p>	<p>FCC Warning Statement</p> <p>Caution: Any modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.</p> <p>This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: - - Reorient or relocate the receiving antenna. - - Increase the separation between the equipment and receiver. - - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. - - Consult the dealer or an experienced radio/TV technician for help.</p> <p>The device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p>The distance between user and wireless charger should be no less than 20cm</p> <p>How To Use</p>  <p>1. Turn On Press and hold the power button (●) for 3 seconds. The light will turn on to indicate the device is on.</p> <p>2. Vibration Modes & On/Off Press the power button (●) to cycle through 10 vibration modes. Press and hold for 2 seconds to toggle the vibration on or off. You can also control this with the remote (●).</p> <p>3. Control the Light Double-click the power button (● / ●) to turn the light on or off.</p> <p>4. Turn Off Press and hold the power button (●) for 3 seconds. The light will turn off when the device is off.</p> <p>Note: For the best experience, we recommend fully charging the device before its first use.</p> <p>- 2 -</p>	<p>Charging the Device</p>  <p>Please place the product on the CE charging base and align the DC port with the CE symbol to ensure correct connection when charging.</p> <p>* The indicator lights flash while charging. * When charging is complete, the indicator lights stop flashing and stay on.</p> <p>- 3 -</p>
