

磁吸无线充移动电源MC508说明书

材质:80g双铜

成品尺寸:65*90mm, 展开尺寸:260*90mm, 3折痕, (公差±0.5mm)

ARKEEP Magnetic Wireless Charging Power Bank Product Manual Ver 1.0 Before using, please read the manual carefully to ensure the correct use of the product. Product Introduction The product is a magnetic wireless charging power bank. It is suitable for charging various mobile devices. The product is made of high-quality materials and has a long service life. The product has a built-in battery and a magnetic coil. It can charge various mobile devices without the need for a cable. The product is easy to carry and use.	Package Contents List 1 x Magnetic Wireless Charging Power Bank 1 x User Manual 1 x Charging Cable Technical Information Model: ARKEEP-MWCP-001 Material: ABS Plastic Color: Black Weight: 150g Dimensions: 150mm x 75mm x 15mm Charging Power: 10W Charging Time: 2-3 hours Charging Port: USB-C Magnetic Coil: 10W Usage Instructions 1. Connect the charging cable to the power bank and the device to be charged. 2. Place the device to be charged on the magnetic coil of the power bank. 3. The power bank will automatically start charging the device.	Charging The product is a magnetic wireless charging power bank. It is suitable for charging various mobile devices. The product is made of high-quality materials and has a long service life. The product has a built-in battery and a magnetic coil. It can charge various mobile devices without the need for a cable. The product is easy to carry and use. Precautions 1. Do not use the product in a wet environment. 2. Do not use the product with a damaged cable or coil. 3. Do not use the product with a damaged device.	Warranty The product is covered by a 1-year warranty. The warranty is valid for the original purchaser. The warranty does not cover damage caused by misuse or accident. After-Sales Service For more information, please contact our after-sales service team. We will provide you with the best service.	Notes 1. The product is a magnetic wireless charging power bank. It is suitable for charging various mobile devices. The product is made of high-quality materials and has a long service life. 2. The product has a built-in battery and a magnetic coil. It can charge various mobile devices without the need for a cable. The product is easy to carry and use.	Customer Service Center For more information, please contact our customer service center. We will provide you with the best service.
