

## FCC Statement

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

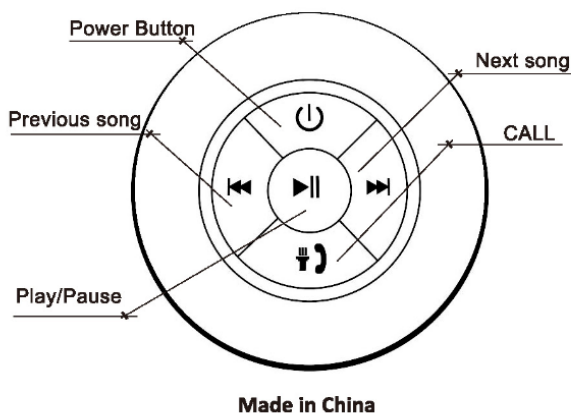

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

BT Version: 5.0  
BT Range: 10M  
Battery Capacity: 400 mAh  
Power input: DC5V TYPE-C Cable

Output Power 3 W  
Playing Time Up to 2 Hours  
Charging Time 4 Hours  
Input Power Supply DC5V  
\*Playback Time mentioned may vary by user's operation mode & device settings.

### On/Off

- Splash Grip Speaker can be powered On or Off by a long press on the "Power On/Off" Multi-function button of the speaker.

### Pairing

- After switching the "Power On/Off" button, the Speaker will Power On & automatically enter "Bluetooth Mode" for pairing. A colorful light will rapidly blink on the Speaker.
- On your Mobile Device, search for the "Bluetooth Menu." A list of available devices will show available for pairing. Select "BTS06/BTS07" & the speaker will automatically pair with your device for use.
- Once paired to your mobile device, the Speaker will automatically re-pair if shutdown or powered off and back on.
- After the mobile device is successfully connected, tap the "Play/Pause" button to play or pause the music. Long press the previous song button to decrease the volume, and long press the next song button to increase the volume.

### Answering/ Ending Calls

- For Incoming calls, short press the "Call" button to pick up or hang up the call.
- During the call, short press the "Call" button to hang up the call.
- Double tap the "Play/ Pause" multi-function button to redial the last dialed number.
