Product dimensions: 101*101*223mm

Product features: Speakers, TF card, Audio input, Sports jellyfish with colorful lights

Product power: 10W

Charge the battery: DC 5V-1A

Battery capacity: 1800mAh

MADE IN CHINA

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio or television reception. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to correct the interference by one or more of the following measures: - Reorient or relocate the receiving antenna; - Increase the separation between the equipment and receiver; - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected; - Consult the dealer or an experienced radio/TV technician for help. FCC ID: 2ABD9-150000000000. This device complies with part 15 of the FCC Rules.
