

正面

Warning

1. It is a high-pressure product, do not fall or crash.
2. Do not expose the unit to strong magnetic objects, such as magnet and electrical motor. Avoid strong radio waves. Strong magnetic fields may cause the products breakdown or images and sounds damage.
3. Never leave the products exposed to high temperatures and direct sunlight.
4. Please choose branded Micro SD card. Neutral cards are not guaranteed to work normally.
5. Do not place Micro SD card near strong magnetic objects to avoid data loss.
6. In case of overheating, seize, or unpleasant smell in the process of charging, unplug your device immediately to prevent it from record.
7. While it is charging, keep the product out of children's reach. Power line may cause children accidental suffocation or electric shock.
8. Keep the device in cool, dry and dust-proof places.

Preface

This product is a high-definition digital motion video recording device tailored to market demand. It has a variety of industry-leading features including digital video recording, photo shooting, audio recording, video display and detachable battery, which makes it perfect for vehicle data recording, photo-shooting, outdoor sports, home security, deep-water diving, etc., allowing you to film at anytime, anywhere. And it has variety of patents.

1

Multipurpose

Product Features

- >A water-resistant casing that allows you film fascinating water sports; water-resistant up to 30 meters under water.
- >High definition screen that displays and replays fascinating video record.
- >Detachable battery that is easy to replace and prolongs your camera's service life.
- >Micro recording while charging.
- >Video recording with battery.
- >1080p HD wide-angle lens.
- >HDMI HD output.
- >Wi-Fi camera.
- >Support storage cards up to 32GB maximum.
- >Multiple video recording formats: 1080P/1080P/720P/WVGAVGA/QVGA.
- >Recorded in AV format.
- >Multiple photo shooting modes: single shot, snapshot.
- >View, zoom, crop, etc.
- >AV appearance, diversified colors available.
- >Open WiFi button in the menu, it will be more convenient to operate the machine by using a mobile phone.

1. Inserting Micro SD cards

Note: Please choose branded Micro SD card and format it on computer before use. Neutral cards are not guaranteed to work normally.

2. Installing and removing batteries

a. Press on battery cap to open it.

- b. Carefully insert the battery as indicated by </> symbols and direction of arrows marked on battery. Fit it in place.
- c. Battery gauge: please refer to diagram.
- d. Remove battery: open cap to take battery out.

3. Charging

- a. Charging can be done by either connecting power adapter to computer or power adapter.
- b. Charge on vehicle by connecting it to car charger.
- c. It can record video while charging.

Note: When it is connected with power and automatically video recording, always turn off the camera when you are not using power.

4. Switching camera on and off

Press and hold power switch for 3 to 5 seconds to turn the unit on/off.

Short press DOWN button to turn on Wi-Fi.

5. Mode Switching

Switching between video recording / photo shooting / playback menu by pressing Power On/Off button.

6. How to record videos and configure recording setting

a. Video Recording

Switch to recording mode and there will be an STBY icon in the upper left corner of

screen. Press OK to start recording and the REC icon in the upper left corner will start to flash. Press "OK" again if you want to stop.

Resolution of video recorded: 1080P/1080P/720P/WVGAVGA/QVGA

Note: The camera has a built-in 8GB storage. Not enough storage space available for the recorded video after recording. Please choose and record the video after recording to the external card.

b. Photo Shooting & Setting

Switch the camera on and press "Mode" to select "Photo shooting Mode", there'll

be an STBY icon in the upper left corner of display screen and camera is in photo shooting mode. Press "OK" to take photos.

Shortening Photo: Single shot / Set timer (30S/60S/120S) / Continuous Shooting

c. File Storage & Playing

After you are done recording, use a USB cable to export the video onto a computer to play. Or you take Micro SD card out and access the image data with a card reader.

d. Connect to PC and use WiFi

With connection for WiFi module.

Please connect and register WiFi module, and then connect to your smart phone.

After connecting to WiFi module, you can download the "Action Camera" app.

FCC Statement

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
