

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

**Solder
Board-Component
View 1**

Solder Board-Component View 2	 A photograph of a black printed circuit board (PCB) with several gold-colored solder pads and components. The board is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the vertical scale on the left ranging from 0 to 100 mm and the horizontal scale at the bottom ranging from 0 to 100 mm. The board features a central square pad, several rectangular pads, and a small component on the right side.
Solder Board-Component View 3	 A photograph of a green printed circuit board (PCB) with several electronic components, including two large electrolytic capacitors and several resistors. The board is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the vertical scale on the left ranging from 0 to 50 mm and the horizontal scale at the bottom ranging from 0 to 80 mm. The board is oriented horizontally.

Solder Board-Component View 4	 A photograph of a small green printed circuit board (PCB) component. The component is rectangular with a central white connector. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component spanning approximately 20 mm. Text on the PCB includes 'KEY: U01' and '2024/10/28'.
Antenna View	 A photograph of the back of a black electronic device, showing the internal components and the antenna. A red box highlights a small component labeled 'WIFI Antenna'. A red line points from the label to the component. The device has a blue background.
