This product generates, uses and can raidate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio.</div> <div>05</div>	<div>communications. However, there is no guarantee that interference will not occur in a particular installation. If this product does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</div> <div><div>- Reorient or relocate the receiving antenna.</div><div>- Increase the separation between the equipemnt and receiver</div><div>- Connect the equipment into an ouotlet on a circuit different from that to which the receiver is connected</div><div>- Consult the dealer or an experienced radio/TV technician for help.</div></div> <div>This equipment should be installed and operated with a minimum distance 20cm between the radiator and your body.</div> <div>06</div>	<div>Carbon Adjust</div> <div>Product Instruction Manual</div> <div><div>UK</div><div>CE</div><div>FC</div><div></div><div></div></div> <div>07</div>
Product Name	Wireless Smart Gateway																							
Adapter Output	5V --- 1A																							
Working Temperature	-10℃ - 55℃																							
Working Humidity	10% - 90% RH (no condensation)																							
Wireless Technology	2.4G Wi-Fi +BLE																							
Dimensions	60X60X15mm																							
Net Weight	33g																							
Product model	ETLHB001
