

## 1. Antenna Description:

|                 |                                                                                                                                     |
|-----------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Antenna type    | Loop coil antenna                                                                                                                   |
| Model           | SV-WXC01                                                                                                                            |
| Frequency range | 116KHz~145KHz                                                                                                                       |
| Manufacturer    | Shenzhen Tiewei Technology Co., Ltd.                                                                                                |
| Address         | 3rd Floor, Building B, Zhaofeng Industrial Zone, No. 3 Hangkong Middle Road, Hangcheng Street, Baoan District, Shenzhen City, China |
| ANT Peak Gain   | 0.00 dBi                                                                                                                            |

## 2. Antenna Photo:

Length: 39.79mm  
Width: 12.72mm

We statement that All measurements were performed radiated and therefore additional antenna gain documentation is not required.
