Pairing Instructions:
1. To start the pairing process turn on the Bluetooth® device

2. Open the charging case and remove the earbuds. They will automatically turn on and start searching for a Bluetooth® device.

3. Go to your Bluetooth® settings on your device and click on **OWS-15** . When the earbuds are paired successfully you will hear a voice prompt indicating that they are paired successfully.

Please note: make sure the two devices via Bluetooth® devices are within 30 feet in order for them to be paired.

Once the earbuds are paired successfully, they will reconnect to the device automatically when turned back on.
