 <b>KD</b> Kada Power Bank	<b>EN</b> <p>Thank you for choosing ORICO products! Please read this user manual carefully before using.</p> <p><b>Product Description</b>  ORICO Kada PowerBank is a portable charging device that can provide wired or wireless charging for digital products such as mobile phones, tablets, e-books, and game consoles. The product has two-in-one line charging and wireless charging, magnetic suction positioning, support 20W PD fast charging, Type-C two-way fast charging, 15W wireless fast charging and other characteristics. Built-in NTC temperature protection, FOD, overcharge, overdischarge, and other safety protection circuits.</p> <p><b>Product List</b>  Product ..... 1PCS  User Manual ..... 1PCS  Charging Cable ..... 1PCS</p>	<b>Specification Parameters</b> <table border="1"> <tr><td>Product Name</td><td>Kada Power Bank</td></tr> <tr><td>Battery Type</td><td>Li-ion polymer battery</td></tr> <tr><td>Model</td><td>KD10 KD10S</td></tr> <tr><td>Li-ion Capacity</td><td>10000mAh 38.5Wh</td></tr> <tr><td>Rated Capacity</td><td>5900mAh(PP 9V=2A)</td></tr> <tr><td>Input</td><td>Type-C 5V=3A 9V=2A 12V=1.5A(18W MAX) USB-A 5V=3A 9V=2A 12V=2.5A</td></tr> <tr><td>Output</td><td>USB-A 5V=3A 9V=2.2A 12V=1.67A(20W MAX) Type-C 5V=3A 9V=2.2A 12V=1.67A(20W MAX) Wireless Charging Output 5W/7.5W/10W/15W</td></tr> <tr><td>Total Output</td><td>5V=3A MAX</td></tr> <tr><td>Conversion efficiency</td><td>&gt;75%</td></tr> </table>	Product Name	Kada Power Bank	Battery Type	Li-ion polymer battery	Model	KD10 KD10S	Li-ion Capacity	10000mAh 38.5Wh	Rated Capacity	5900mAh(PP 9V=2A)	Input	Type-C 5V=3A 9V=2A 12V=1.5A(18W MAX) USB-A 5V=3A 9V=2A 12V=2.5A	Output	USB-A 5V=3A 9V=2.2A 12V=1.67A(20W MAX) Type-C 5V=3A 9V=2.2A 12V=1.67A(20W MAX) Wireless Charging Output 5W/7.5W/10W/15W	Total Output	5V=3A MAX	Conversion efficiency	>75%	<b>Operation Declaration</b> Check the instructions for electricity Start the power output function once to check the remaining power supply. The power indicator will automatically turn off after it is on for about 35 seconds	<b>wireless charging coil, and there are metal foreign bodies inside the protective case of the mobile phone.</b> Please try to cool the mobile phone, remove the protective case and then make the correct position <b>3. Mobile power supply has conversion efficiency, so the battery capacity of mobile power supply is not equal to the rechargeable amount.</b> <b>4. Please charge your power supply regularly (at least every 3 months is recommended) to maintain its long service life.</b> <b>5. If the consumer violates the product specification improperly, the personal and property damage caused will bear all the consequences, and the company will not bear any legal responsibility.</b> <b>6. Avoid using electrical appliances or loads beyond the output current of the product (the circuit protects, no output).</b> <b>7. Avoid strong physical effects, including knocking, throwing, trampling, squeezing, etc.</b> <b>8. When charging, this product may get heat, this is a normal phenomenon, do not worry.</b>	<b>Note safety attention</b> <ol style="list-style-type: none"> <li>Do not hit, throw, needle this product, and avoid falling, squeezing, bending the product.</li> <li>Do not use or store this product in a wet environment and avoid liquid wetting or flushing.</li> <li>Do not use the product in a high temperature and high dust environment, and stay away from the fire source.</li> <li>Do not expose the product to a high temperature above 40°C which may cause overheating, fire or explosion.</li> <li>Do not expose this product in the sun.</li> <li>Do not place this product in an environment with corrosive articles, and do not use other chemical solutions to clean this product.</li> <li>Do not place products and accessories in appliances with strong electromagnetic field and away from magnetic equipment.</li> <li>Please place the product and accessories out of the touch of the child. Do not allow the child to use the product without supervision.</li> <li>Do not remove and repair the product and accessories without authorization. Only authorized agencies can repair the product.</li> <li>For products with power adapters, use the power adapter specified by our company.</li> <li>Do not clean this product with hazardous chemicals or cleaners.</li> <li>The mobile power supply is prohibited after immersion.</li> <li>If this product needs service or maintenance, please give it to a professional maintenance personnel. Incorrect reassembly may lead to fire or personal injury. Therefore resulting responsibility does not belong to warranty responsibility or manufacturer responsibility.</li> <li>After fully charged, please unplug the charger in time to avoid damaging the battery after prolonged charging.</li> <li>Under normal use, the battery performance will gradually decline over a few years.</li> <li>If the Power Bank supply is smelled, overheated, discoloration or deformed, stop using it immediately.</li> <li>Please use the original or certified data cable.</li> <li>When using the charger, please purchase or use the charger that obtains CC certification and meets the standard requirements.</li> <li>If you have any questions during the use of this product, please contact your dealer or ORICO customer service center.</li> </ol>	<b>Declaration</b> SHENZHEN ORICO TECHNOLOGIES CO., LTD., all rights reserved. We thank you so much for purchase ORICO product. Please refer to this manual when using orico product or experienced issues. Additionally, please kindly contact ORICO customer care team if any concern. ORICO® is registered trademark of SHENZHEN ORICO TECHNOLOGIES CO., LTD. Any other product, trademark, service or company mentioned herein is trademark or registered trademark of the respective owners. SHENZHEN ORICO TECHNOLOGIES CO., LTD. reserve all rights of compensation to the intellectual property right holder not liable for any loss or damage resulting from this manual. Please kindly contact orico customer care team when any concern. SHENZHEN ORICO TECHNOLOGIES CO., LTD. shall not liable for compensation and maintenance of the following conditions. 1. Any special, incidental, indirect and secondary lost or damage. 2. Profit and revenue lost or damage. 3. Files, data, drive and device lost or damage. Note: Compensation for lost or damage resulting from this manual or orico product shall not exceed the payment of your purchase to this product.		<b>COMPLIANCE WITH FCC REGULATION</b> This device complies with the provisions of Directive 2014/53/EU. It is strictly forbidden to dispose of this equipment as ordinary trash; it must be recycled. This symbol indicates that the product shall not be treated as regular domestic trash, and must be delivered to a recycling center that is capable of recycling electronic and electrical equipment.
Product Name	Kada Power Bank																									
Battery Type	Li-ion polymer battery																									
Model	KD10 KD10S																									
Li-ion Capacity	10000mAh 38.5Wh																									
Rated Capacity	5900mAh(PP 9V=2A)																									
Input	Type-C 5V=3A 9V=2A 12V=1.5A(18W MAX) USB-A 5V=3A 9V=2A 12V=2.5A																									
Output	USB-A 5V=3A 9V=2.2A 12V=1.67A(20W MAX) Type-C 5V=3A 9V=2.2A 12V=1.67A(20W MAX) Wireless Charging Output 5W/7.5W/10W/15W																									
Total Output	5V=3A MAX																									
Conversion efficiency	>75%
