

# 1. Antenna Description:

|                 |   |
|-----------------|---|
| Antenna type    | PCB antenna   |
| Model           | 240A  |
| Frequency range | 434MHz  |
| Manufacturer    | Yueqing Yongsuo Electric Technology Co.,Ltd   |
| Address         | Shuitangyang Village, Beibaixiang Town, Yueqing City,<br>Wenzhou City, Zhejiang Province, China |
| ANT Peak Gain   | 0.00 dBi  |

# 2. Antenna Photo:

We state that All measurements were performed radiated and therefore additional antenna gain documentation is not required.
