Solder Board-Component View 9	 A photograph of a black printed circuit board (PCB) with various electronic components. A central green component is labeled 'ABM09_V1'. Other components include a silver antenna labeled 'ANT', a TX pin, and a 5V pin. The board is populated with numerous small surface-mount components and connectors.
Solder Board-Component View 10	 A photograph of a black rectangular component, likely a battery or a module, with a blue and white cable attached. The cable has a white connector at the end. The component is resting on a blue fabric surface.
