Pack The Caddie in your golf bag
and bring it anywhere.

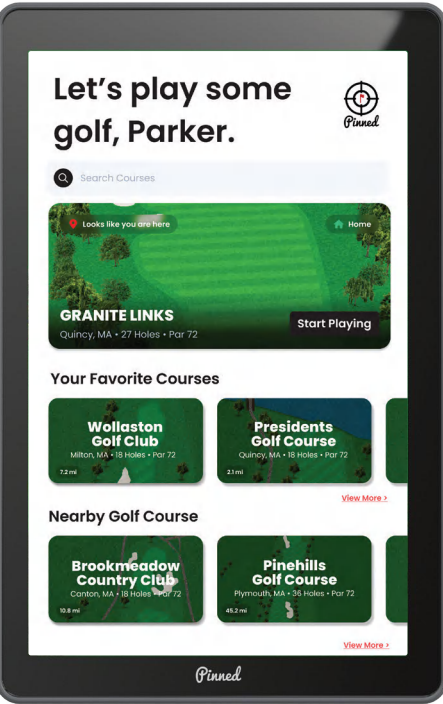

Advanced Analytics

Track your analytics and scores during the round.

How to Use Your Caddie

Home Screen

- **Auto-Detects Your Course:** No need to search, Caddie picks up your location and loads the course automatically.
- **Quick Access to Favorites:** The courses you selected during setup are ready to go.
- **Nearby Courses:** If you're not at a saved course, Caddie pulls a list of options based on your location.

Viewer Screen

In-Game Menu (Top Left): Quick access to settings and round details.

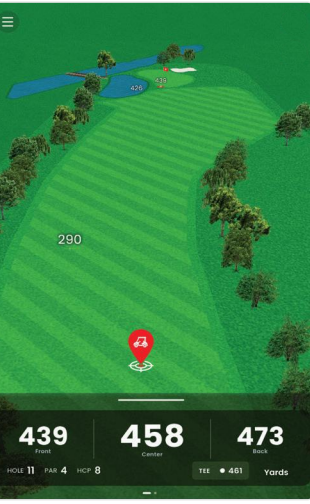

3D | 2D Icons: Switch camera views for a different perspective on the hole.

Greens Icon: This is for Greens View where you will only see the green in the viewer.

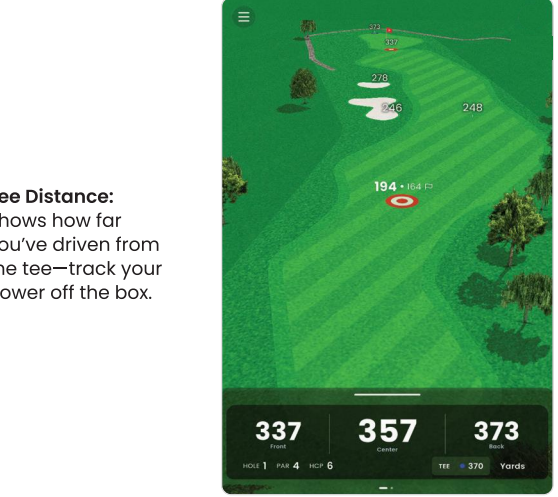

Drone Icon: Get a hole flyover for a bird's-eye view of what's ahead.

Viewer Screen (Cont.)

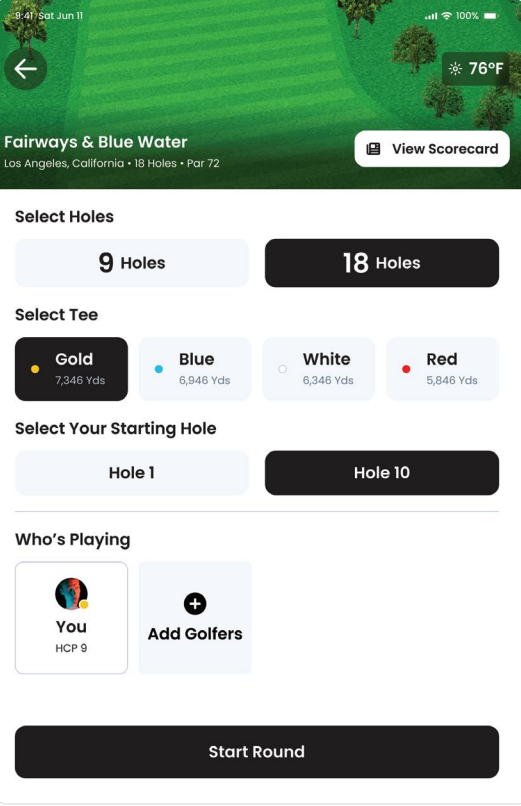

Tap for Distance:
Tap anywhere on the course to get the distance to that point and the remaining distance to the green.

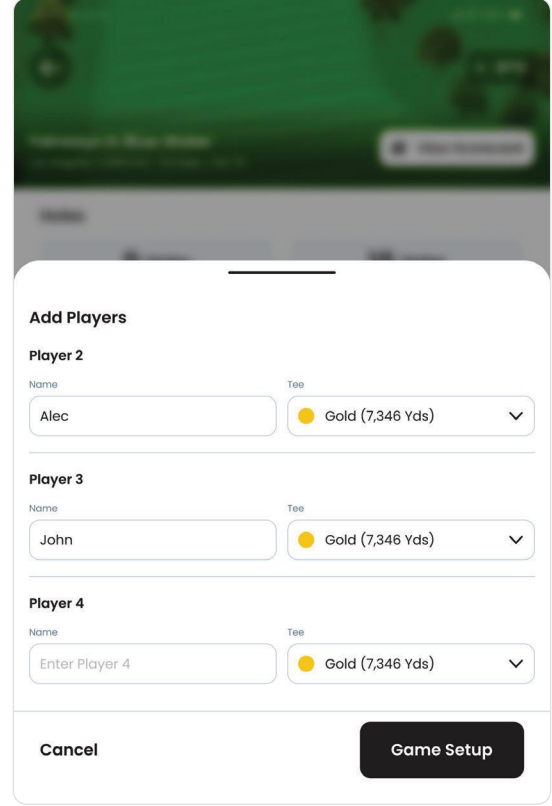

Setting Up a Game

1. **Select Your Round Details:** Choose between 9 or 18 holes based on your preferred game length. Pick your tee box (Gold, Blue, White, or Red) to match your playing style. Select your starting hole—begin at Hole 1 or jump in at Hole 10.

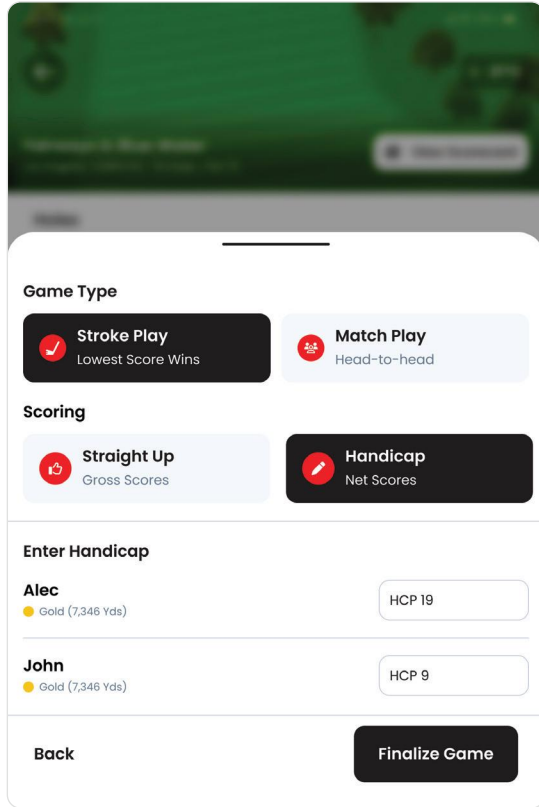

Setting Up a Game (Cont.)

2. **Add Players:** Invite friends by entering their names and selecting their tee boxes. Each player can have an individual tee and handicap setting.

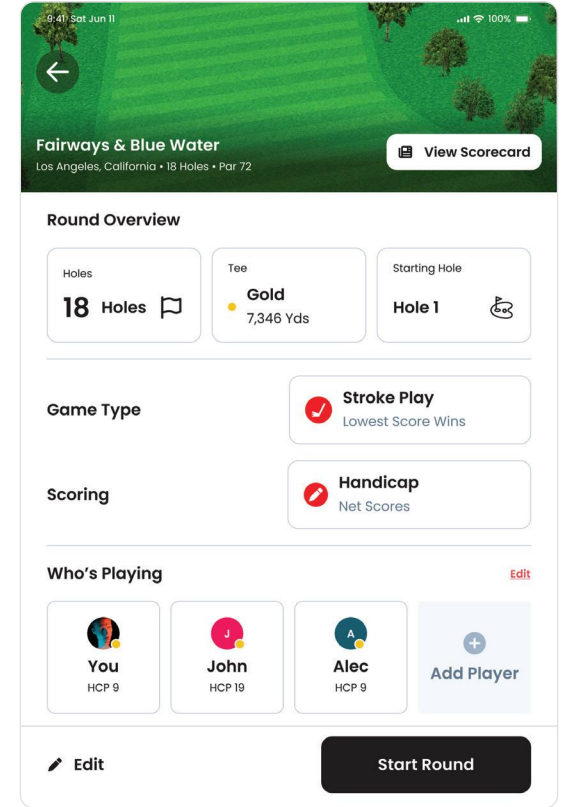

Setting Up a Game (Cont.)

- 3. **Choose Game Type & Scoring:** Pick between Stroke Play (lowest score wins) or Match Play (head-to-head). Choose Straight Up (gross scores) or enable Handicap scoring for an even playing field. If using handicaps, enter each player's handicap index to activate the auto-dot feature.

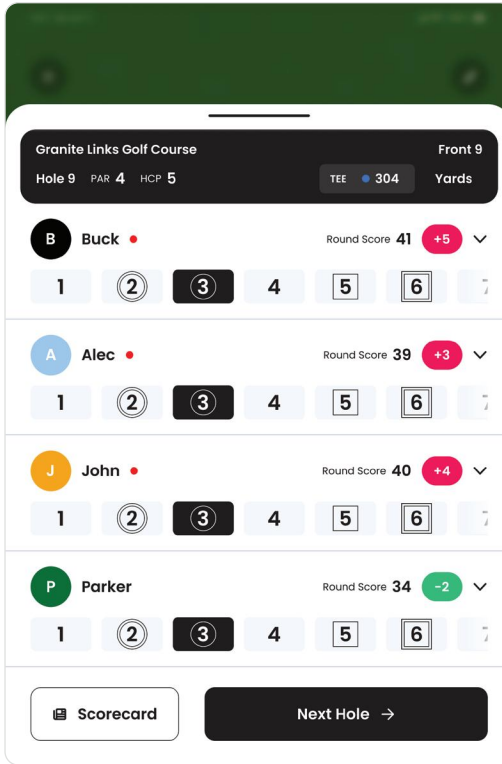

Setting Up a Game (Cont.)

- 4. **Review & Start Your Round:** The Round Overview lets you double-check all settings before you begin. If everything looks good, tap Start Round and hit the course! With the Pinned Caddie, setting up your game is quick and seamless—so you can focus on playing your best.

Keeping Score

- **Super Easy Score Slider:** Adjust your score with a simple swipe. No complicated inputs—just slide and confirm.
- **Running Score Total:** See your current score and score over par update in real time.
- **Auto-Dot Feature:** The red dots show who is “stroking” on this hole, automatically factoring in handicaps.

Troubleshooting

The Caddie does not turn on?
Please recharge your Caddie.

The Caddie turns on but the app is not loading?
Please turn off your Caddie to let it reset, then turn back on.

The screen is black?
Please be sure your Caddie is turned on.

Why does my Caddie not charge?
Please make sure you are using the charger that came with your unit. Other chargers will not always work on this device.

How do I change from Yards to Meters?
Please see the in-game settings or your profile to pick your desired unit of measurement.

For other troubleshooting tips, please scan the QR code to access our online manual.

One Year Warranty

Your Pinned Golf Caddie is warranted to be free of defects in materials and workmanship for one year after the date of purchase.

In the event of a defect under this warranty, we will, at our option, repair or replace the product, provided that you return the product using our prepaid postage.

This warranty does not cover damages caused by misuse, improper handling, installation, or maintenance provided by someone other than Pinned Golf. Please note, this warranty is not transferable.

Safety Warning

- Do not disassemble, repair or modify this product by unauthorized personnel.
- Please read the user manual before using this product and follow the instructions for correct operation. Improper use may cause damage.
- This product contains batteries, please do not use it in a flammable environment.
- Do not expose this product to excessive heat or cold, as this may cause battery damage, leakage, or explosion.
- Please ensure that the power adapter for this product matches the electrical outlet and use the manufacturer's recommended charging cable.
- Do not use this product near flammable materials to avoid fire hazards.
- This product uses a Lithium-based battery. Lithium batteries can overheat and cause damage if physically abused.
- If this product appears abnormal, such as overheating, emitting strange smells, smoking, etc., please stop using it immediately and contact us.

Legal Notice

By using this product, you agree that Pinned Golf LLC, will not be held legally responsible for any injury or damage to you, or any person or property caused by the user's improper operation and/or poor judgment while using this product.

Note: See Limited Warranty for other limitations to our liability.

FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
1. This device must accept any interference received, including an interference that may cause undesired operation.

This device has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio technician for help.

FCC Radiation Exposure Statement:
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

FCC ID: 2BOGR-CADDIE
Changes or modifications not expressly approved by the party responsible for compliance could void your authority to operate the equipment.
