

Letter of Authorization

Company: Sudhir Srivastava Innovations Pvt. Ltd.

Address: Plot No. 404-405, 3rd Floor, iLabs Centre, Udyog Vihar Phase III, Gurugram
Haryana, India-122016

Product Name: RFID Module

Model Number(s): 106MSF0063

Product Description: The RFID Module derives its power and data from the MACT TOP PCBA and operates at a frequency of 13.56MHz. It is capable of reading and writing data when an RFID tag is positioned within a 15mm range of the module's antenna. As an integral component of the Mantra 3.0 system, the RFID Module is utilized for equipment identification and its usage regulation.

We authorize MiCOM Labs Inc., 575 Boulder Court, Pleasanton, California 94566, USA, to act on our behalf on all matters concerning the certification of above named equipment.

We declare that MiCOM Labs Inc. is allowed to forward all information related to the approval and certification of equipment to the regulatory agencies as required and to discuss any issues concerning the approval application. Any and all acts carried out by MiCOM Labs on our behalf shall have the same effect as acts of our own.
