

Guofeng Hardware		Product specification			Number:	GF202300530001
					Edition:	01
					Number of pages:	1/1
Customer	Dachang	Materials	0.7 Galvanized steel wire	Use machine		
Specification	X0.7*W4.4*C205	Classification	Environmentally friendly	Westfield spring machine -1		
Manufacturer	Longhu district, Shantou city,	Address	Shantou City, Longhu District, Xinxi street North village Xiapu 79			
Antenna gain	0dB					

Specification requirements:					
1、Overall dimension(mm)					
Figure 1: 		Figure 2: 		Figure 3: 	
The total length of the antenna is 205MM		Apply eco-friendly glue		Stick eco-friendly glue	
				With the product design, increase the wire diameter, strengthen the tension.
