

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

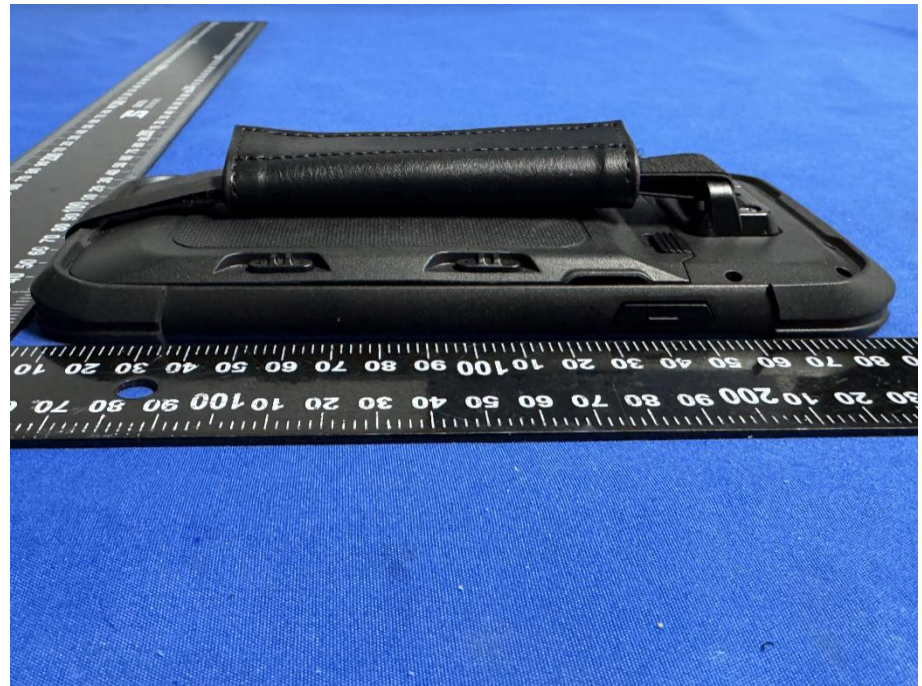

EUT View 1	 A photograph showing the front of a black mobile phone. The phone is oriented vertically with its screen facing the camera. The screen is dark and appears to be off. Below the screen, there are three capacitive touch buttons: a triangle, a circle, and a square. At the very bottom, there is a speaker grille and two small circular buttons. The phone is placed on a blue fabric surface. A black ruler with white markings is positioned horizontally below the phone, showing measurements in centimeters and millimeters.
EUT View 2	 A photograph showing the back of the same black mobile phone. The back cover is black and has a textured, slightly raised rectangular area in the center. A black strap with a buckle is attached to the back. The phone is placed on the same blue fabric surface. A black ruler with white markings is positioned horizontally below the phone, showing measurements in centimeters and millimeters.

EUT View 3	 A black ruggedized mobile device with a black strap is shown from a side-top perspective. The device is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters. The device has a textured back and a strap attached to the top.
EUT View 4	 A black ruggedized mobile device with a black strap is shown from a side-bottom perspective. The device is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters. The device has a textured back and a strap attached to the top.
