RE: Attestation Statements Part 2.911(d)(7) request for **FCC ID:2BOU5CRTM**

TFH Worcestershire Ltd. the manufacturer, declares that the product's module supports BT + WIFI functionality. The module's WiFi capability has been removed so only the BT function can be used.

TFH Worcestershire Ltd. are applying for a brand-new FCC ID this time based on the BT functionality only. The WiFi function will be permanently disabled by the manufacturer through software, preventing users and holders from turning this feature on.
