

Car Stereo

JAC

【Tips and Warnings】

In order to emphasize the important information of the user manual, special attention should be paid when seeing the label  , which indicates some important warnings and reminders.

【Safety Notice】

Read all instructions before installation. It is recommended that the machine be installed by a car audio professional.

 This machine is suitable for the vehicle 12V power supply system (the ground wire must be grounded), please do not install the machine in the 24V vehicle, otherwise it will damage the machine.

 Do not repair the power fuse without professional guidance. Improper use of the fuse can cause damage to the machine and cause a fire.

 To avoid violating traffic rules, drivers cannot watch videos while driving and operating machines to avoid unnecessary accidents.

 For the sake of safety and to ensure the normal use of the product, please invite professionals to install, disassemble or repair the machine to avoid machine damage and accidents.

 Please do not placing this product in a humid environment and water in case causing fire due to electric shock or other unnecessary damage.

Note: To Prevent Burning The Machine, Do Not Turn On The Power Until The Power Cord Is Properly Connected!

【Test】

A quick simple test before the installation is to confirm that the device is working normally and as expected in case there is a wrong step in the subsequent installation, which will cause it to fail to work. If you perform a successful test but the unit did not work after installing it please recheck the

installation steps.

Test car stereo: ①The red and yellow wires of the car stereo combine together firstly and then connected to the positive pole of the 12V battery
②The black wire is connected to the negative pole of the battery.
③ Two seconds later, check the car stereo. If the screen is lighting up, it means the car stereo is properly functioning.

【Disassembly and Installation Steps】

1 Screw fixed installation

2 Card position fixed installation

3 Special frame fixed installation

Icon	Name	Operations & Controls
	WIFI	Touch to the WIFI settings interface
	BT	Turn on/off Bluetooth
	Car Settings	Touch to the Car Setting interface
	Sound Settings	Volume adjustment
	System Optimize	One-click memory clearing
	Close Screen	Screen off, touch again to resume

【Phone Link】

For Mirror Link, you can choose Android Wired/Wireless Connection or Apple Wireless Connection according to your requirements. You can click the corresponding module to see how to use the Mirror Link.

① Android USB screen mirroring

< Android USB screen mirroring

1. Use USB cable to connect mobile phone and AVN and enable USB debug mode

2. Open TIMA app, and complete the connection according to prompt on mobile phone

② Android WIFI screen mirroring

< Android WIFI screen mirroring

Select your hotspot

1. Open mobile phone hotspot and select your hotspot in the list

Change

2. Open TIMA app, scan QR code to download if you haven't installed yet

3. Click Start immediately from mobile phone when authorized dialog displayed

③ iPhone WIFI screen mirroring

【Steering Wheel Control】

Steering wheel control learning method:

Connect the KEY and KEY2 on the car player's power cable plug to the

original car's steering wheel control wire. After touching the button icon on the screen, quickly find the corresponding function button on the steering wheel of the original car, then press the button until the machine screen prompts that the installation is successful, then release it! Indicates that the learning is successful, you can learn the next button.

【Offline Map—HERE WeGo】

(Note: You can also use Google Maps online)

Follow the steps below to set it up

1. Power on the device and connect the device to the internet via Wifi.
2. Find the APP named HERE WeGo in the main menu.

3. Follow the APP prompts to enter the main map page and find the options menu.

4. Click "Use App Offline" and download your favorite map data from the country list.

【Parameters】

Category	Parameter
Mirror link	Android/IOS
Radio chip	MTK
Power Output	BT:7.41dBm; WIFI:11.9dBm
Work temperature	-40℃~ 80℃
Steering wheel control function	Support
Power amplifier chip	AC8227L
Radio Band	FM/RDS
Video output	Support
WIFI	Support
External microphone	Support
USB	Double USB interface
Audio format	APE/FLAC/WAV/MP3/WMA etc
Video format	MKV/RMVB/AVI/MP4/MDV etc
Picture format	PNG/JPEG/JPG/GIF/WBMP/BNP etc
Factory setting keyword	1234

FCC statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

English/Northern Ireland:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation

WARNING

To avoid danger of suffocation, keep this plastic bag away from babies and children. Do not use this bag in cribs, beds, carriages or playpens.

This bag is not a toy.

DE/BE:

Dieses Gerät entspricht Teil 15 der FCC-Regeln. Der Betrieb unterliegt den folgenden zwei Bedingungen:

- (1) Dieses Gerät darf keine schädlichen Störungen verursachen, und
- (2) dieses Gerät muss empfangene Störungen akzeptieren, einschließlich Störungen, die einen unerwünschten Betrieb verursachen können.

WARNUNG

Um Erstickungsgefahr zu vermeiden, halten Sie diese Plastiktüte von Babys und Kindern fern. Verwenden Sie diese Tüte nicht in Kinderbetten, Betten, Kinderwagen oder Laufställen. Diese Tüte ist kein Spielzeug.

ES:

Este dispositivo cumple con la parte 15 de las reglas de la FCC. El funcionamiento está sujeto a las siguientes dos condiciones:

- (1) Este dispositivo no puede causar interferencias perjudiciales,
- (2) este dispositivo debe aceptar cualquier interferencia recibida, incluyendo interferencias que puedan causar un funcionamiento no deseado.

ADVERTENCIA

Para evitar el peligro de asfixia, mantenga esta bolsa de plástico fuera del alcance de bebés y niños. No use esta bolsa en cunas, camas, coches de bebé o parques infantiles. Esta bolsa no es un juguete.

FR/BE :

Cet appareil est conforme à la partie 15 des règles de la FCC. Son fonctionnement a été testé sous deux conditions suivantes : (1) Cet appareil ne doit pas causer d'interférences nuisibles, et (2) cet appareil doit accepter toute interférence reçue, compris les interférences pouvant provoquer un fonctionnement indésirable.

AVERTISSEMENT

Pour éviter tout risque de suffocation, gardez ce sac en plastique hors de portée des bébés et des enfants. Ne pas utiliser ce sac dans des berceaux, des lits, des landaus ou des parcs. Ce sac n'est pas un jouet

IT :

Questo dispositivo è conforme alla parte 15 delle norme FCC. Il funzionamento è soggetto alle seguenti due condizioni

- (1) Questo dispositivo non deve causare interferenze dannose,
- (2) Questo dispositivo deve accettare qualsiasi interferenza ricevuta, incluse interferenze che possono causare un funzionamento indesiderato.
