EUT View 1	
EUT View 2	

EUT View 3	 A top-down photograph of a white, square plastic component. The component has a central square recessed area and two elongated oval slots on the left and right sides. It is placed on a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The component is positioned such that its edges align with the ruler's markings. The background is a blue surface.
EUT View 4	 A side-view photograph of the same white plastic component. It shows the component's thickness and the two oval slots from a different angle. The component is placed on the same black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The background is a blue surface.
