To Whom It May Concern,

We, **The Data Driven Company**, declare that this EUT (FCC ID: **2BPG-ARY001**) doesn't have Ad Hoc mode function on "non-US/Canada frequencies". In addition. The frequency selection feature is disabled by firmware for devices marked to the US/Canada. For DTS part of this device, only channels 1-11 will be used in North America, Country code selection is disabled.

Should you have any questions or comments regarding this matter, please have my best attention.

Sincerely,

Jonathan Bibas
