

Model Difference Statement

FCC ID: 2BPD4-0002

Model Name: PW05-10K

Date: July 16, 2025

Dear Sir/Madam,

Added models PW05-5K basis of the original product PW05-10K. Note 2: The appearance color, model name and capacity of the listed series models are different from those of the main model. The main model PW05-10K has a capacity of 10000mAh, while the additional model PW05-5K has a capacity of 5000mAh. However, the circuit and electronic structure are the same. They should be declared by the manufacturer.

Sincerely,

Signature: Jindong Huang
