## Pet Washing Machine

Woofwoof Lux

Model: QJXK-PWM-WWLD1  
Input Voltage: 110V, 60Hz  
Maximum Power: 4800W  
Rated Drying Power: 4000W

## Woofwoof Lux

Serial Number: CDA1-D1X-2517-0002  
Suitable Pet Width: 7in-16in  
Suitable Pet Weight: 22lb-110lb  
Rated Water Heating Power: 3000W

Manufacture & Design: Allviews Technology LLC. USA

Date of Manufacture: 04.22.2025

Factory: Sichuan Deze Hongji Technology and Development Corporation, China

### Safety Warnings

1. Keep hands and body parts out of the machine while it is running. Avoid contact with water jets, moving parts, or internal components.
2. If the pet shows strong resistance or discomfort, press the emergency stop button immediately.
3. Install and operate the machine as instructed in the manual. Do not modify any parts or circuits.
4. Use standard accessories and proper installation for power, water, network, and drainage. Prevent short circuits and electric shock.
