## Attestation of Compliance with FCC Covered List Software Requirements

Date: September 2, 2025

To: Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD 21046-1609

To Whom It May Concern:

I, an officer of Nextorage Corporation, certify that, as of the date of the filing of the application for FCC ID: 2BPPO-NXPFS1, the software(s) to be loaded prior to marketing (i.e. factory pre-installed) and/or to separately be provided to our clients of the equipment in this Form 731 application are NOT "covered" software manufactured by any entity including predecessors, successors, parents, subsidiaries, or affiliates or any entity which has rebranded or relabeled the software produced by the entity(ies) identified on the "Covered List", as outlined in FCC 22-84 and KDB publication 986446 D01 v03.

Specifically, the undersigned certifies that the equipment for which authorization is sought:

1. **Does NOT contain** cybersecurity or anti-virus software produced or provided by **Kaspersky Lab, Inc.** or any of its successors, assignees, parents, subsidiaries, affiliates, or any entity that has rebranded or relabeled software produced by the entities.

This attestation statement is based on our evaluation of the product's design, its functionalities and software environment. The undersigned affirms that the information provided is accurate and complete to the best of their knowledge.

See the submitted operational description for further details of the basis for compliance with FCC Covered List software requirements. It is treated as a part of its operational description which can be held confidential on the filling.

Sincerely,

Signature:

Name: Akihito Hamada
