

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

The image consists of two photographs of a mobile phone disassembly, each with a ruler for scale.

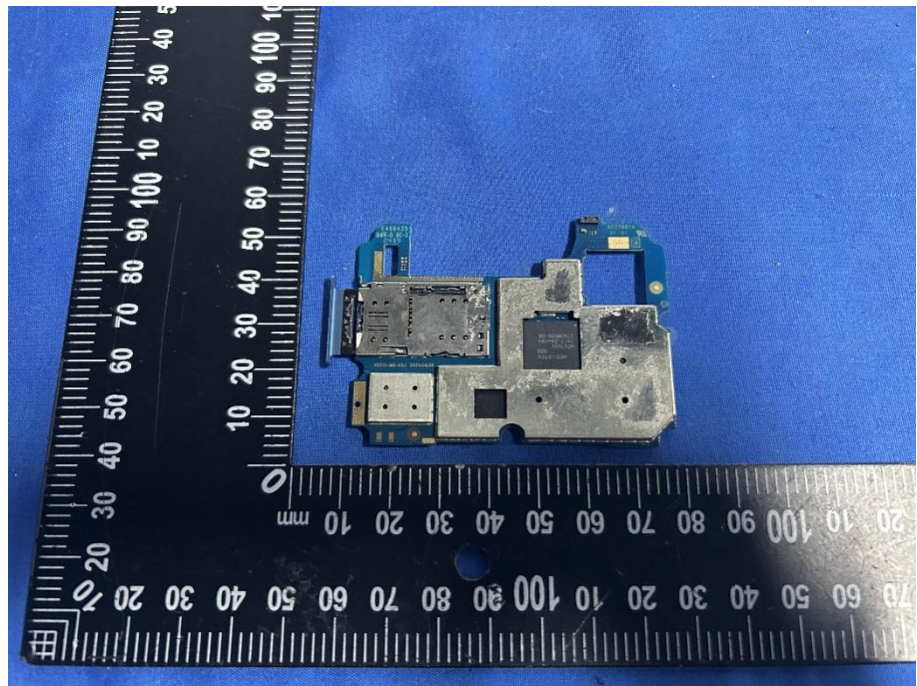

Top Photograph: EUT Housing and Board View 1

This photograph shows the back of the phone's housing and the internal board. The housing is black and features a triple-camera module. The board is black and contains a large battery with the following text: "Rated Voltage: 3.85V 1100mAh", "Model: B2000", "Shenzhen Japayon Technology Co., Ltd.", "Warning: 1. Do not disassemble. 2. Do not short circuit. 3. Explosive when contact with fire. 4. Use the recommended accessories. 5. Do not expose to high temperature.", and "Made in China". A ruler is placed horizontally below the phone, showing dimensions in millimeters.

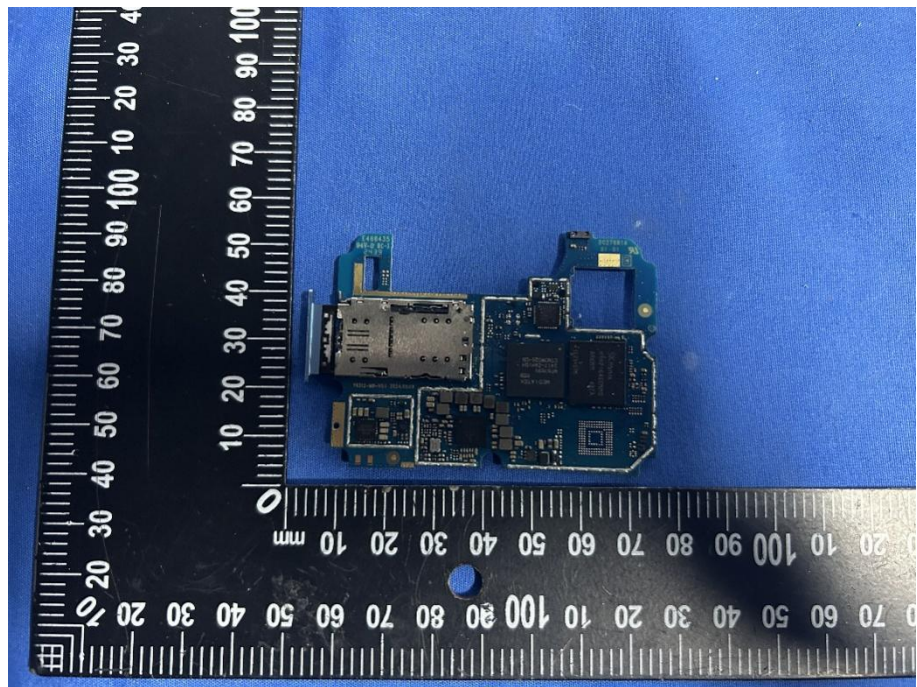

Bottom Photograph: Solder Board-Component View 1

This photograph shows the solder board-component view of the phone. The board is blue and contains various components, including a large silver heat sink, a camera module, and a battery. A ruler is placed horizontally below the board, showing dimensions in millimeters.
