

快速指南 (正反两面)

正面

01

App Download
Before using the L1, please download the 'Looki' app from the App Store or Google Play.

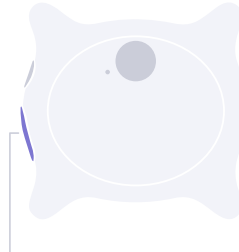

02

Power On
Press and hold the B Button until the Corner Lights turn on.

Connect to Looki App
Follow the instructions in the Looki app to complete device setup.
* When charging, the L1 will automatically power on.

Power Off
To power off, press and hold both the A Button and the B Button until the Corner Lights flash in an alternating yellow breathing effect.

03

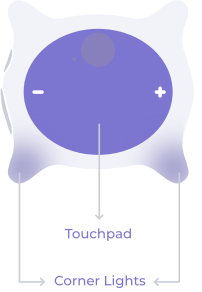

-  **Capture**
Press once the B Button to take a photo.
-  **Story Mode**
Press and hold the B Button to start or stop Story Mode.
* When Story Mode starts, the top Status Light continuously breathes green.
* Button functions can be customized in the Looki App.

04

-  **Video Recording**
Press once the A Button to start or stop recording.
* When recording starts, the top Status Light stays solid green.
-  **Audio Recording**
Press and hold the B Button to start or stop audio recording.
* When audio recording starts, the top Status Light stays solid red.
* Button functions can be customized in the Looki App.

背面

05

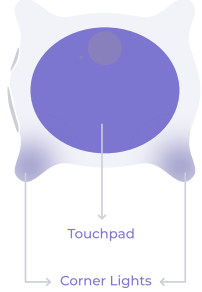

-  **AI Assistant**
"Press and hold the Touchpad. When the Corner Lights show streaming colors, speak to the AI assistant, then release the Touchpad when done.

When the Corner Lights breathe in streaming colors, the AI assistant is processing.

When the Corner Lights turn solid white, the AI assistant is responding."

 **Volume**
While the assistant is responding, swipe left or right on the Touchpad to adjust the volume.

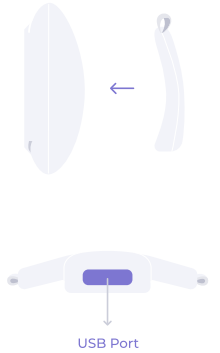

* The AI assistant feature requires a Bluetooth connection to your phone and access to the Internet.

06

-  **TapTap**
Double-tap the Touchpad to check power and battery status via the corner light.

 -  Low battery – the light breathes red
 -  Medium battery – the light breathes orange
 -  High battery – the light breathes green
When charging, the light breathes twice; when not charging, it breathes once."
-  **Petting**
When not using other features, continuously swiping the Touchpad activates the Petting feature. :)

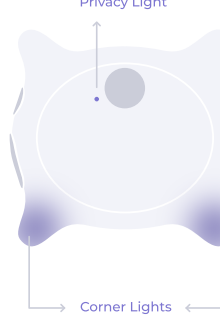

07

Magnetic Lanyard
Attach Looki L1 to the included Magnetic Lanyard and wear it around your neck for regular use.

* Do not magnetically attach the L1 through multiple layers of clothing; if needed, purchase the official accessory.

Charge
Looki L1 can be charged via the USB-C port on the bottom of the Magnetic Lanyard.

08

Privacy Light

-  The Privacy Light turns on automatically during photo or video capture.

Corner Lights

-  When the light alternately breathes yellow please wait.
-  When the light breathes red once please charge promptly."

* Lighting settings can be customized within the Looki app.
