

# Declaration letter

InHand Networks, Inc.

Dear Sir,

For our business issue and marketing requirement, we would like to list different models numbers on the FCC certificates and reports, as following:

Test Model No.: EC3320

Series Model No.: EC3310, EC3340

These models are the same in these: appearance, PCB layout and basic software function; The only difference is that the products are used in different markets.

Thank you!
