

T27 英 说明书

尺寸: 65*80 mm

材质: 80g铜版纸

折叠方式: 风琴二十二折页

<p>T27 Wireless Earbuds</p>  <p>User Manual</p>	<p>Personal Precautions While Using</p> <p>To prevent accidents, please adhere to the following guideline. Carefully read the manual and use this product safely.</p> <ul style="list-style-type: none">To protect your hearing, do not use this product at high volumes for extended periods.Always use manufacturer-approved installation components, accessories, and replacement parts.Do not open the casing of the product without authorization. Unauthorized modifications void the warranty.Avoid subjecting the product to strong impacts or pressure.Use the product only under the operating conditions specified in the technical data.Keep liquids and conductive objects away from the product and its connection ports.When unplugging the charger, hold the plug instead of pulling on the charging cable.This product may interfere with hearing aids, pacemakers, other medical devices, fire alarms, automatic doors, and other automated control systems. Avoid using this product near such equipment to prevent malfunctions or accidents. <p>Regarding Lithium-Ion Rechargeable Batteries</p> <ul style="list-style-type: none">Do not disassemble, open, or crush secondary cells or batteries.	<p>Product Overview</p> <p>Charging Case:</p>  <p>Accessories:</p>  <p>LCD Touch Screen</p>  <p>Charging Instructions</p> <p>Before the first use, please fully charge the product using the included Type-C cable.</p> <p>1. Remaining battery display of the earphones 2. Remaining battery display of the charging case 3. Time display</p> <p>Charging the Earphone Case</p> <p>Connect the Type-C cable to the charging case's Type-C port.</p> <p>Plug the charging cable into a USB port on your computer, or use a commercially available USB-compatible power adapter and connect it to a power outlet.</p> <p>Charging the Earphones</p> <p>Place the earphones into the charging case and close the lid.</p> <p>Ensure the earphones are correctly placed in the charging case. If the left and right earphones are placed incorrectly, the charging contacts on the earphones will not connect to the charging pins in the case, resulting in the earphones not charging.</p> <p>Low Battery Alert</p> <p>When the earphone battery level drops below 20%, you will hear a voice prompt saying "Battery Is Low, Please Charge." We recommend charging immediately. When the charging case battery level falls below 10%, the LCD screen will display a red battery indicator icon.</p> <p>Personal Precautions While Using</p> <p>Rotate the earphone body and insert it into your ear.</p> <p>Instruction Manual</p> <p>Power on</p> <p>Method 1: When the earbuds are removed from the charging case, you will hear the English prompt "Power on", and they will automatically power on Bluetooth pairing.</p> <p>Method 2: Press and hold the touch button (when disconnected) to manually turn on the earbuds. The Bluetooth icon (top-left corner of the charging case's LCD screen) will display a white symbol with an overlapping [X].</p> <p>Power off</p> <p>Method 1: Place both earbuds into the charging case and close the lid to automatically power them off.</p> <p>Method 2: Press and hold the touch button (when powered on but disconnected) to manually turn them off. You will hear the English prompt "Power off". You can place the earbuds back into the charging case. On your Bluetooth device's Bluetooth settings screen, select "T27" and disconnect, then restart the compatible device.</p> <p>Pairing</p> <p>Power on the earbuds, then go to the Bluetooth settings on your device → "Bluetooth" → "T27" from the device list.</p> <p>Once connected, you will hear the English prompt "Connected", and the Bluetooth icon in the top-left corner of the charging case's LCD screen will change to a white symbol.</p> <p>Reset</p> <p>If the connection is not working or you want to return to the initial state, follow these steps: When the left earbud is not paired, press the touch button on the left earbud five times. You will hear the English prompt "Power off", then place the earbuds back into the charging case. On your Bluetooth device's Bluetooth settings screen, select "T27" and disconnect, then restart the compatible device.</p> <p>The earbuds will automatically re-pair with the compatible device.</p>
