The photograph shows a small green printed circuit board (PCB) with a circular antenna. The board is labeled with "椭圆形" (Oval) and "天猫加涂鸦WiFi" (Tmall Plus Graffiti WiFi). It also has a serial number "590751R_Y1573_201712". A red arrow points to a component on the board, which is identified as a "8050" transistor. The board is placed on a blue surface next to a ruler for scale.
