A black electronic device, possibly a data logger or interface unit, is shown with a white label. The label contains the following text (read from top to bottom):
Supplier: Everticity
Model No.: 00 00 04
Firmware Version: 00 00 04
PCB Version: 00 00 04
Soc Ic: SPHT3208X
Mcu Ic: W78M4531P
Dac Ic: OX300
Interface Ic: AK7504
Product Part: IT-002
Sample Number: EV013041525
Apn: 15-0025
The device has a silver-colored circular port on the left side. A bundle of black cables with various colored connectors (red, yellow, black) is plugged into the top. To the right, a separate black connector with multiple colored wires (yellow, red, black, white) is shown. The device is placed on a blue surface, with a wooden ruler visible at the bottom.[illegible]
