FCC Certification Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Xtra Technology LLC requests that the following documents regarding this submission for FCC ID: 2BQH2-XCAMD01 be kept Long-Term confidential:

<b>Exhibit Type</b>	<b>File Name</b>

Schematics	Schematics.pdf
Operational Description	Operational Description.pdf

Those documents contain detailed system and equipment description and related information about the product which Xtra Technology LLC considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Xtra Technology LLC considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Thank you for your attention to this matter.

Yours Sincerely,
