

Quick Start

1. Scan QR code below to download the Tappi app on your phone.

2. After creating an account, tap on “Add Pen” in the upper right to link your Tappi pen, and enable Wi-Fi.

3. Your Tappi Pen is ready to go. Tap on any Tappi book to start reading!

Pen Controls

Using Your Tappi

READING MODE

By default, your Tappi Pen is in Reading Mode. Tap the pen on any Tappi-compatible product to read and play!

In Tappi books, almost everything is tappable, so encourage your little one to explore and learn, one tap at a time.

MUSIC MODE

Press and hold on the middle front button to switch to Music Mode. In this mode, Tappi will play a playlist of songs. Press the up button to play previous song, and down button to play next song. You can edit your playlist, add songs, and adjust settings in the Tappi app.

TAPPI APP

In the Tappi app, you can:

- View all books and content linked to your account
- Check for new content or updates
- Review your child's reading activity — including total time spent with each book
- Edit music playlist, and change music settings
- Shop the Tappi store
- ... and more!

AUDIO LANGUAGE

By default, Tappi's books are in English. For multi-lingual learners, you can purchase Language packs to play audio in other languages (currently Spanish and Mandarin, more coming soon). Visit tappiplay.com/language to learn more!

Safety and Compliance

To keep your Tappi Pen in great condition and safe for little hands, follow these tips:

Handling & Maintenance

Clean the pen with a soft, dry cloth only. Avoid water, alcohol, or harsh cleaning agents. Keep the tap sensor tip clean and protected. Avoid tapping with excessive force or using the pen on unauthorized surfaces. Do not drop, hit, twist, or pull on the pen or its parts.

Child Safety

Designed for children aged 3 and up. Adult supervision is recommended, especially for first-time use. The Tappi Pen is made from child-safe, eco-friendly materials, but it is not a chew toy — do not allow children to bite or chew on it.

Important Safety Notes

Use only Tappi-authorized accessories with this product. Do not disassemble the pen or attempt to replace the internal battery. Keep the device away from water, high heat, or strong impact. Dispose of this product in accordance with local electronic waste regulations. Do not discard with household trash.

Product Information

- Model Name: TAPPIV1
- Battery: 3.7V lithium-ion rechargeable (non-removable)
- Designed by: Tappi Play LLC
- Made in Shenzhen, China
- FCC ID: 2BQHP-TAPPIV1
- IC: 34176-TAPPIV1

FCC Compliance Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1) this device may not cause harmful interference, and
- 2) this device must accept any interference received, including interference that may cause undesired operation

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Specific Absorption Rate (SAR) information

The SAR limit of USA (FCC) is 1.6 W/kg averaged over one gram of tissue. This model (FCC ID: 2BQHP-TAPPIV1) has also been tested against this SAR limited. The highest SAR value reported under this standard during product certification for use at the body is 0.494 W/kg.

ISED Compliance Statement

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- 1) this device may not cause interference, and
- 2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil contient un ou des émetteurs/récepteurs exempts de licence qui sont conformes aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- 1) l'appareil ne doit pas produire de brouillage;
- 2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Help & Support

TROUBLESHOOTING TIPS

Pen won't turn on -- Make sure the battery is charged. Hold the power button for 2 seconds.

No sound -- Check the volume. Tap the volume buttons to adjust, and ensure the speaker isn't covered.

Tap not responding -- Be sure you're using a Tappi-compatible product. Tap with the tip of the pen.

Cannot connect via Bluetooth -- Press and hold the up and down buttons together to enter pairing mode (LED pulses blue). Make sure Bluetooth is enabled on your phone. LED flashing red -- Indicates an error. Try restarting the pen.

PRODUCT WARRANTY

- Your Tappi Pen comes with a 1-year limited warranty from the date of purchase.
- The warranty covers manufacturing defects in materials or workmanship under normal use.
- It does not cover damage caused by misuse, unauthorized repairs, or accidental drops, bites, or water exposure.
