Re: Part 2.933 Change in Identification to FCC ID: 2BQHQ-INTIBIAPGM1.

Dear Sir or Madam,

I hereby request a change in identification in accordance to CFR 47 Part 2.933 of the FCC rules.

The original identification used on the equipment prior to this application for Change in Identification is 2AC7Z-ESPPICOMINI.

The date of the original grant of the equipment authorization is 01/26/2022.

I certify that the equipment bearing the modified identification, FCC ID: 2BQHQ-INTIBIAPGM1, does not differ from the original equipment. This equipment is electrically identical; the only change is the label on the device.

I further certify that the original test results continue to be representative of and applicable to the equipment bearing the changed identification. Compliance for any future or subsequent changes or modifications of the equipment under the Coloplast Corporation Grantee Codes 2BQHQ are solely the responsibility of Coloplast Corporation and are in no way part of the Espressif FCC Grant files

Sincerely,
