Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.</p> <p>This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"> Reorient or relocate the receiving antenna. Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or an experienced radio/TV technician for help. <p>FCC Radiation Exposure Statement:</p> <p>This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.</p> | <p>Certification 인증 정보</p> <p>방송통신기자재의 적합성평가표시 http://www.rra.go.kr/selfform/DEZU-D55C</p> <p>상호: 더저 유한회사(Deozeu Co, Ltd.)</p> <p>제품명: 블루투스 스피커</p> <p>제조자/제조국: Shenzhen Dezi Technology Co, Ltd. / 중국</p> <p>주의사항: 설명서 참조</p> <p>고객센터: support@dezi-tech.com</p> <p>정격입력: DC 5V/1A</p> <p>FC CE RoHS  Made in China</p> |
