

Please upload an exhibit that explains how does the TCB verify the new agent information:

1- Is the address of the agent a valid physical US mailing address (not a US post office box, not a virtual mailbox, not P.O. Boxes, not a vacant lot, not a public building, etc.)

- We have checked if the address exists in a real and potential building (Google maps) + official US register, after this verification and the evidence below we can guarantee the following:
  - not a US post office box
  - not a virtual mailbox
  - not P.O. Boxes
  - not a vacant lot
  - not a public building(note)

► We checked the FCC FRN Search based on the information provided by the grantee.
