Wireless headphones
User Guide

Introduction:

Welcome to use the BPG portable wireless headset. With the inspiration of our team, we design and polish it day and night to create a unique look of the BP machine, and devote ourselves to developing new clock functions, new second timers and other functions. In addition, it also performs very well in the traditional sound quality. The low frequency is full, and the high voice is clear, making your voice come to the scene. The innovative way of wearing enables you to have an excellent listening experience no matter where you are.

Bluetooth Pairing Connection:

1. When you use it for the first time, please open the lid of the charging box, and search for Pro 7 in the Bluetooth Pairing system in your cellphone, click the name of BPG and complete the pairing.
2. After the pairing is recorded by the device, it will be automatically connected (the Bluetooth should be turned on at your cellphone) without searching and pairing manually.
