

## Covered Equipment Attestation Letter

For Certification Service in the USA

### Federal Communications Commission

Equipment Authorization Division, Application Processing Branch  
7435 Oakland Mills Road  
Columbia, MD 21048

### To whom it may concern

Pursuant to Section 2.911(d)(5)(i)-(ii) of the Commission's Rules (47 C.F.R.) we attest as follows for the product listed below:

|               |            |
|---------------|------------|
| FCC ID        | Model name |
| 2BR9J-EH-2PRO | EH-2PRO    |

We,

| Applicant     |                                                                                                           |
|---------------|-----------------------------------------------------------------------------------------------------------|
| Company Name: | Shenzhen HongboKechuang Technology Co., Ltd                                                               |
| Address:      | 209, Building D, No. 12 Tianqian Road, Xinhe Community, Fucheng Street, Longhua District, Shenzhen, China |
| Phone:        | 13172459540                                                                                               |

certify that the equipment for which authorization is sought is not "covered" equipment prohibited from receiving an equipment authorization pursuant to section 2.903 of the FCC rules. This includes the cybersecurity and anti-virus software produced or provided by Kaspersky Lab, Inc. or any of its successors and assignees.

We certify that, as of the date of the filing of the application, the applicant is not identified on the Covered List as an entity producing "covered" equipment.

If you have any questions, please feel free to contact us at the address shown below.

Sincerely,

Jigeng Duan
