Series “iGarden SwimJet P Series” and “InverJet” are identical except the brand.

Series “InverJet”, “InverJet H” and “InverJet V” are identical except the external water pump.

For series “iGarden SwimJet P Series”, the models are identical except flow parameters.

For series “InverJet”, the models are identical except flow parameters, models with prefix “SJ” is the model name for manufacturer, the models with prefix “P” is the model name for customer.

For series “InverJet H”, the models are identical except flow parameters, models with prefix “SJ” is the model name for manufacturer, the models with prefix “H” is the model name for customer.

For series “InverJet V”, the models are identical except flow parameters, models with prefix “SJ” is the model name for manufacturer, the models with prefix “V” is the model name for customer.

Sincerely
