

## Model Difference Statement

FCC ID: 2BRYC-H5

DATE: September 8, 2025

Dear Sir/Madam,

Added models M8, H6, H7, H8, H9, M9, M10, S1, S2 basis of the original product H5. The appearance buttons of model M8 are different from those of the main model, but the internal circuit structure is the same. The other models are only named differently from the main model and are sold in different regions. but the circuit and the electronic construction are the same, declared by the manufacturer.

The exterior photo of M8 is as follows:

The exterior photo of H5 is as follows:

Sincerely,

---
