I, Jean-François DUHAUTOIS, Technical Manager from Standard Industrie, 139-141 rue du Luxembourg BP50207 59054 Roubaix FRANCE, declare that the device presented to certification has not been amended since March 02, 2012.

Produced devices remain electrically identical to tested sample and data submitted reflects present operation of the device.

As stated in test report, the device has been verified to comply with KDB 558074 for a DTS device.

The test report has been revalidated to ensure compliance with the latest FCC Rules.

- On behalf of Mr. Jean-François DUHAUTOIS –

Beaucouzé - January 20, 2014
