Solder Board-Component View 8	 A photograph showing the top view of a white plastic component. A black rectangular label with the text "IPEX2" is centered on the top surface. A small black cable is connected to a solder point on the label. Below the label, a black plastic plate with a grid of circular holes is visible. To the right, a green printed circuit board (PCB) with a USB connector is partially visible. The background is a solid blue color.
Solder Board-Component View 9	 A photograph showing a side view of the same white plastic component. A black rectangular label with the text "IPEX3" is visible on the side. A small black cable is connected to a solder point on the label. To the right, a green printed circuit board (PCB) with various electronic components is visible. The background is a solid blue color.
