Long Term Confidentiality

Dynaco requests that the following materials be withheld from public inspection permanently under 47 C.F.R. 0.457 & 0.459:

- (1) Detailed Circuit Schematics of the EUT
- (2) Internal EUT Photographs
- (3) Block Diagrams
- (4) EUT Description

The above materials contain proprietary and confidential information not customarily released to the public. The public disclosure of these materials provides unjustified benefits to its competitors in the market. They are considered confidential trade secrets. The internal photos are held confidential since the product is normally potted which prevents the end user from seeing the circuit board.

Authorized Signature
