Product Equality Declaration

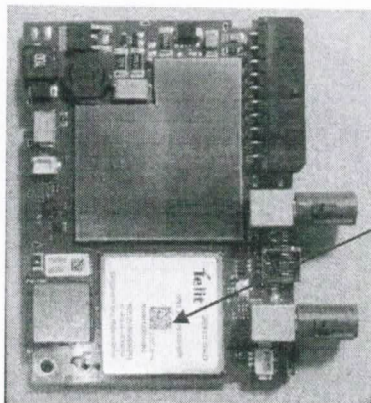

Date: December 29, 2017

We, Mobile Devices Ingénierie, declare on our sole responsibility for that the model C4MAX is exactly the same as the original certified product with FCC ID A6GC4MAX-3GNA, except for the difference specified below:

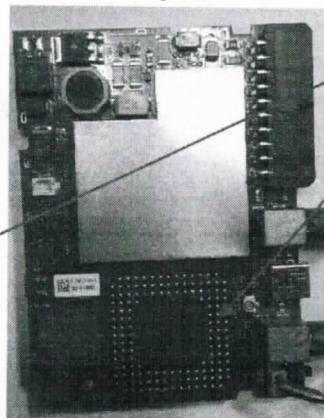

1. Product Information.

Please specify if any change applicable:

The only difference is there's no module on new product that we are going to sell

Original

new

	Old version	New version
Model Name	C4Max-3GNA-E	C4MAX
Marketing Name	C4Max-3GNA-E V2	C4Max-E V2
HW version	SAP00256	SAP00383
SW version	V1944	V1944
FCC ID	A6GC4MAX-3GNA	A6GC4MAX-E

2. Hardware difference

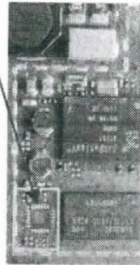

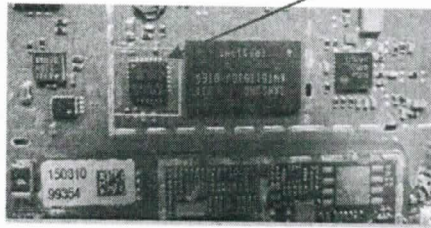

1). Device HW change

- We remove module, so there's no WCDMA, no GSM function

- We changed flash from Samsung brand name to Spansion, because the old flash is end of life

- We removed Gyroscope component because we never use this function, and in original case, we didn't declare we have gyroscope function

2). Device Mechanical Difference

- No difference, totally same on mechanical

3). SW change

- No change

Sincerely yours,
