To whom it may concern,

This application is for the original certification of the IntelliVault/IntelliCab under FCC rule part (15.225). The IntelliVault/IntelliCab is used to store prescriptions and drug stock bottles for our Intellisys software product. The IntelliVault/IntelliCab is placed in a pharmacy and reads ISO-15693 RFID enabled baskets placed in it.

The IntelliVault/IntelliCab FCCID is A6KIVAUTICAB. It transmits at 13.56 MHz in ISO-15693 format. All testing for the IntelliVault/IntelliCab was done by Element Materials Technology.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Intile", is written over a blue horizontal line. The line starts from the left edge of the page and extends to the right, ending under the signature.
