EXHIBIT 5

PRODUCT LABELING

FCC ID: A7943

5.0 Product Labeling

The Equipment label and label location are attached.

5.1 Label Artwork

An engineering drawing of the label which will be permanently affixed to the unit is shown below. Please note that due to the size of the device, the model number and trade name will be placed on a separate label.

Figure 5.1 Equipment Label

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
