UTILIWISEECM

To Whom It May Concern:

In accordance with sections 0.457 and 0.459 of CFR 47, Metrum Technologies requests short-term confidentiality of the following sections of this application for a period of 180 days after grant is issued.

**Internal photos**  
**User's manual**

These documents contain detailed system and equipment descriptions and related information about the product, which Metrum considers to be proprietary, confidential, and a custom design that should not be released to the general public. Since this design is a basis from which future technological products will evolve, Metrum feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,

Dennis McCain  
VP of Operations
