Dear Mr. Leimer:

We have reviewed the Type Acceptance Certification request from Narco Avionics Inc. of the Type AT165 Transponder Equipment, with Federal Communications Commission ID number A9SAT165. The technical data for this equipment is consistent with the spectrum requirements of the RTCA Document No. RTCA/DO-144. We have no objection to the certification of this device.

If you require any additional information, please contact Mr. Donald Nellis, Spectrum Planning and International Office, at (202) 267-9779.

Sincerely,

  
Donald K. Willis
